tailgate**TALK**

By Jack Chastain, Editor

May is an exciting Month. Much of Texas has been blessed with moisture. Green grass is a welcome sight as is not having our cows meet you at the gate waiting to be fed. Calving should be almost finished and the sight of newborn calves is as good as it gets in the ranching business. May is National Beef Month when grocery chains and food suppliers feature beef in their advertising. Mothers Day in May and Fathers Day in June should be a must to feature beef in everyone's menu. The CHB office assures me we can find CHB in Texas. We want to hear from you in the country when you find it. CHB reps continue to tell me the easiest way to purchase CHB is to order direct from their website. They have also provided me with suppliers in Texas that sell CHB to restaurants and food stores. Contact these for product or a store where you can purchase: Affiliated Foods, Amarillo, 1-800-690-7476; Crystal Creek Cattle, Dallas, 972-241-1180 or Jakes Finer Foods, Houston, 713-861-0909.

The demand for top quality Herefords continues to be strong. I have had numerous calls seeking open heifers, both Hereford and Hereford X Angus cross. Our sales reported in this issue reflect a growing demand for quality Hereford cattle. Our inquiries for cattle to buy have been good. These come from both phone and the web site. Our "for sale" listings have been extremely popular and resulted in many sales. Please help yourself by keeping these listings current. We cannot help you sell your stock unless you tell us it is for sale.

Our juniors are busy preparing for another great state show sponsored jointly with TJPHA. As an advisor I can safely say that this event could not happen without the support of the Hereford breeders around the entire state. The youth are most appreciative and extend an invitation to attend and watch not only a tremendous cattle show, but their participation in other educational and fun events.

Last month I challenged every member to sign up a new member. We have seen a few come in. I issue the same challenge this month but need you to get them to us before the end of May to be included in the summer June/July issue. We also need your ad in this popular promotional issue.

As time marches on, so do deadlines for many projects sponsored by THA. Now is the time to set aside bulls and females for the THA Fall Classic sale in Buffalo, Texas on October 18, select a pen of heifers for the Whiteface Replacement Female Sale on January 28, 2018, an entry for Cowtown Invitational Sale also on January 28, 2018, and cattle to fit and show at the National Hereford Show. We are busy putting together the summer membership directory issue of our publication. Remember that the information that is printed in the herd listing part of this issue is also posted on our web site and can be viewed by anyone at anytime. Phone numbers, addresses and current herd information have never been more important. Please help yourself by making sure your information is correct. Advertising is also a big part of this issue. It is an opportunity for you to highlight your operation for a minimal expense. Results might surprise you. "Advertising does not cost-IT PAYS." ★

A YOUNG DESERT★MART SIRE WITH 3 TRACES TO THE GREAT CHRISTI!

IT'S IN THERE

Prego® spaghetti sauce became very popular by putting everything needed – all necessary ingredients in their one complete sauce.

In the same way, Desert★Mart provides total Genetic Packages that cover all the bases; consider what is "in there…"

- ★ ESSENTIAL PERFORMANCE TRAITS – reasonable birthweight followed by explosive growth are built in at Desert★Mart
- ★ ESSENTIAL MATERNAL POWER – no one wants to deal with poor udder quality, low milk production, or inferior breed-up rates; quality udders, abundant milk and high fertility are the norm here.
- ★ ESSENTIAL CARCASS PREMIUMS – perhaps more sure-fire carcass superiority than any other herd… it's simply all in there!
