## Dear Mr. Jack,

Thank you for an awesome state Hereford show. We appreciate all your hard work.

Jarrett Worrell

## TJHA-TJPHA Service Project

Beginning in 1996 and for each year thereafter as part of state show activities, the membership chooses a service project activity. The event is planned by the juniors to provide a super leadership opportunity and responsibility but guided closely by a group of adult advisors. This year, the juniors chose Tunnels to Towers as their service project and sent a monetary donation collected during the state show.

Born from the tragedy of 9/11, the Tunnel to Towers Foundation carries out its mission to “do good,” by providing mortgage-free homes to Gold Star and fallen first responder families with young children and by building custom-designed smart homes for catastrophically injured veterans and first responders. ★

## An Open Letter to Various Cattle Producers and Breed Association Representatives:

I am a purebred/commercial cattle operator. We have been in business for many years. We have had many one-on-one sales. Each has had its own set of circumstances. While each is different, you received payment in cash, check, sometimes livestock or other goods and services. We have never had a problem with payment in over 69 years as a registered seller.

This changed very recently for us. One of my employees was contacted about a recent ad we had out. The ad group covers a roughly 150-mile area and is also online. The person made an inquiry, wanted 5 Angus bulls, wanted my bottom price, and offered payment by Cashier's Check. Again, each deal is different, but these were not unusual offers, negotiation, etc.

The concern I had was the offer to buy with a Cashier's Check (which I thought meant money in hand) AND a purposeful overpayment. This included instructions to cash the check and purchase postal money orders to send to the agent to pay the hauler. Obvious RED FLAG!

My purpose in sending you my story is to serve as a warning to your subscribers/members to become more aware that we can be targets just like the elderly, the uninformed. We are used to a handshake, a man's word is his bond, etc., so we may be a bit too trusting. I was aware this became a little too different than usual and so lost nothing. I hope criminal prosecution can occur, but realistically it's hard to know what is real in this sort of cyberworld! Please use this information any way you think can help your folks!

*Yours truly,*  
Joseph J. Skrivanek, III  
Caldwell, TX

Where  
**CHAMPIONS** Are A  
**TRADITION!**

**BULLS FOR SALE PRIVATE TREATY AT ALL TIMES.**

First, I wish to thank everyone who helped me celebrate another birthday last month. My son posted a happy birthday wish on Facebook and over 200 people called, liked or posted a message. The response was most humbling. For those of you concerned about my health, my heart doctor says I am fine and to quote him, he added thirty years to my life.

This issue covers our annual TJHA-TJPHA State Show. It was another huge success and each year seems to just get bigger and better. This year we had nearly 300 exhibitors enter over 600 cattle entries. Many thanks are due to all the juniors and adults who contributed to the event.

We are proud of the June/July issue we were able to assemble. Thanks to all advertisers. Hereford demand seems to keep growing. Even in this pandemic year, we should have a fantastic fall sale season.

Our web site continues to be very active in getting sale results. It has been sixteen years since our website first appeared. We have recorded almost 200,000 viewers in this time. I am most pleased to hear from those of you who list cattle for sale and call to tell me the cattle are sold. I encourage more members to avail themselves of this service. More cattle listings will only draw more parties looking to buy. Success breeds success. We do ask that you keep the listings current and especially let us know when the cattle are sold. But for now, keep the information coming. I am also pleased

to report that our Facebook presence has been a great success and that we now have over 4800 followers. Even our Texas Junior Hereford Association Facebook page is popular.

I remind members that entries are due now for the new Powerhouse 52nd Annual Whiteface Replacement female sale. Remember we can now accept Red Angus X Hereford cross heifers as well as Black-baldie heifers and we really need to increase our numbers in this division to continue to offer this class. Please help us gather a quality offering. If you do not have heifers, encourage a customer or neighbor to consign a pen or two. A successful sale is a good reflection for everyone involved in the Hereford industry. Also note that we have reinstated a pen bull show at Fort Worth.

Even with all of the COVID 19 caused cancellations, there are still sales, shows and other promotional events coming in the next few months. I encourage THA members to attend all that you feel safe at and promote your Hereford breed every chance you get. Remember THA is here to help Sellers sell and Buyers buy. Until next month, stay safe, cool and pray for a good general rain. ★

# We have a bunch of show-offs.

*And, we can't wait for you to see them.*

## Offering Bulls and Heifers for Sale at Private Treaty beginning September 24, 2021

We have all been through the years when we did not get the rain we needed. PRF offers some protection against the increased cost of feed, depopulating your herd, hay production losses and more. Let us show you how this USDA subsidized crop insurance policy can help. PRF is designed to offset the cost your operation incurs due to lack of rain. This area-based rainfall index policy provides up to 90% coverage on your rented and owned pasture, rangeland and forage acres that are intended for grazing or haying.

Please visit our website or give us a call for more detailed information. We will be happy to speak with you and prepare a customized quote for your operation.
