## Dear Texas Hereford Association Foundation,

Thank you so much for awarding me with this scholarship. It is a great honor to be chosen for this prestigious award. The Texas Hereford association has been very supportive of the juniors, including myself, for as long as I have been a part of this breed. Without the help and support of great people like you, many students may be struggling more with college finances. And many of our junior events within the Hereford breed would not be possible. Again, thank you so much for your continuous support. ★

*Sincerely,  
Mallorie Phelps*

## Attention Members & Subscribers

Please return your Herd Bull listing form with any new information or changes and it would greatly help if you would alert us to any recent area code change or new mailing addresses as the post office updates it compliance to help with 911 locations. All non member subscribers are urged to consider become active members to show your support of Hereford cattle and boost our effectiveness and clout as a spokesman for the Hereford beef industry. ★

Our second annual futurity sale and annual "Hats Off to Herefords" sale is set for May 5, 2012 at the W4 Ranch sale facilities in Morgan. Thirteen members consigned heifers to the futurity sale and pledged \$100 per heifer and with a few sponsors we have a \$9000 pot to offer to Texas Junior Hereford members who purchase one of these heifers and bring her back to the June, 2013 Texas Junior State

show in Belton. Only Texas juniors can compete in the futurity show, but anyone ( adults or a junior from out of state ) can purchase these heifers as well as some of the older show prospects consigned to the sale. I also remind our juniors that most of these heifers are also eligible to be shown at the 2013 Open Hereford Show in Fort Worth and compete for the \$7500 offered to the high placing juniors at

this show. This is a super opportunity for our youth and their parents to find an excellent show prospect and compete in the shows all year. Please note that a heifer calf sold in our 2010 Hats off sale was selected as reserve grand champion at the recent Houston Junior Hereford heifer show. Our 2012 catalog will be on our website and can be requested by mail.

We have begun work on the 2012 annual membership directory. Every member has been mailed a herd listing form and ad reservation form. Please update your listing. I cannot stress enough how important it is that current members provide us with correct and complete information regarding phone numbers, e-mail addresses, directions to your ranch and herd information. We especially want to update those of you who have developed ranch web sites and can include you with a link from our web site.

Now is a good time to select and breed a pen of heifers for our 44th annual replacement heifer show and sale to be held in Fort Worth on Sunday, January 27, 2013. Plan to select at least one or two extra to make sure you can get the minimum of ten for the pen show. We plan to have our heritage pen of cattle. Now is also a good time to select an entry for the annual Cowtown Select Sale. THA through some generous sponsors has encouraged our junior exhibitors to enter the open show by providing a cash award in the form of a scholarship. I solicit a few more donors as well as all junior exhibitors to consider bringing their heifers to the National Show in Fort Worth. The junior must be present and be at the halter of his or her own animal to be eligible for the \$7500 in scholarships.

Our juniors are busy preparing for another great state show and field day held jointly with TJPFA. The event will be held June 20-23 in Belton. As an advisor I can safely say that this event could not happen without the support of the Hereford breeders around the entire state. I encourage all members to respond favorably with both monetary and volunteer help. All THA members could benefit from watching our youth in action.

Hereford demand is as strong as ever and now is as good a time as ever to promote your herd with an ad in our publication. Remember "Advertising does not COST--IT PAYS!" ★

**WORR OWEN Victoria Y3142 ET • #P43263669 • 11/09/2011**

WORR OWEN Victoria Y3142 ET is a dandy! This November futurity prospect is an About Time daughter that has a ton of future. She has maternal and milk traits that would blend well in any herd. She has a really nice chest floor and carries it all the way back. She is big hipped and nice topped. She is fancy enough to catch the judges' eye, but stout enough to make bulls. She is gentle and has decent hair.

# Hats Off to Hereford Sale

**Saturday, May 5, 2012 • Noon**

25 Pairs • 10 Bred Cows • 10 Bred Heifers

2 Open Heifers • 2 Bulls

This April horned female is the ultimate package. She has been shown successfully and should continue to make a statement in the showing. She is beautiful fronted with long extended lines. She has ideal teat placement and travels like a cat.

Her pedigree is packed with maternal power. She displays an awesome spread on her EPD's from birth to yearling. She is in the top 20% on milk and top 15% for milk and growth. She is in the top 5% for \$CHB. That should come as no surprise with 45P being the sire, and D79 on the bottom side. Rose Marie is the full sib to the high selling lot in the 2012 Spring Sale at Worrell Enterprises. This is a female that will make your herd better. **Consigned by Worrell Enterprises**

 (UPS TCC Nitro #42827386 x Lake BJB Iris 209N #P42376289)

This is a super attractive horned heifer that combines extra skeletal length and width, depth of body, muscle and overall power. She is real smooth made from end to end and will continue to blossom as she matures on as a bred heifer. We feel this female will work towards any aspect from continuing on as a bred heifer for a junior to show or going straight into a breeder's program and working her way easily into the donor pen.

# A Hereford Heifer “ROCKS” the Calf Scramble Competitions for 2012

Sierra Francis of McKinney, TX wins big at the Southwestern Exposition, San Antonio, and Houston Livestock Calf Scramble competitions. In 2011, Sierra entered Calf Scramble contests offered at the rodeos and was able to catch 3 times. Each rodeo offers a monetary certificate for those who catch and Sierra combined her scramble certificates and used them towards a purchase of a heifer. Sierra purchased her heifer from Mr. Gary Woody of Woody’s Polled Herefords and has spent the last year showing her calf scramble heifer in 21 shows including the 3 majors and the Hereford State show. As a calf scramble participant, each major show required different methods of tracking and recording the student’s experience for the entire year. Each scrambler is required to write a newsletter to their sponsor on a monthly basis as well as write breed essays, year-end essays, and create scrapbooks and display boards for the shows. Sierra also was required to attend and compete with her calf scramble heifer the following year at each of the shows.

At the Southwestern Exposition and Livestock Show, Sierra placed 1st in her Early Senior Heifer Calves class and won the Hereford Showmanship contest. She also won a \$2500 scholarship from the Southwestern Exposition Calf Scramble Committee.

At the San Antonio Livestock Show, Sierra placed 4th in her class and won the top scholarship award offered

for Calf Scramblers receiving a \$10,000 scholarship towards her education by the San Antonio Calf Scramble Committee.

At the Houston Livestock Show, Sierra placed 2nd in the British Calf Scramble contest and 4th in her breeding show. She went on to win the Calf Scramble

Overall Supreme Heifer Award, 1st place Scrapbook, 1st place Display Board, Most Original Scrapbook award and 1st place Herdsman. Sierra came home with many awards and cash prizes from the Houston Calf Scramble Committee.

Sierra had an amazing time showing her Hereford heifer this last year and is thankful to all of the sponsors and livestock shows for providing her with this experience.
