On The Cover

This month's cover salutes the 79th annual Sand Hills Hereford Show, the oldest Hereford only show in the nation. The Grand Champion Steer was exhibited by Emily June Kelley of Yoakum and shown with twin siblings Laurel and John Thomas. Emily is a third generation exhibitor at the Sand Hills Show and the Kelley and Oman families have exhibited many winners at this show.

World Hereford Conference 2012 in Canada

It's not too early to think about attending the World Hereford Conference, hosted by our neighbors to the north, the Canadian Hereford Association. This world-wide event is held every four years and will kick off with pre-tours in Vancouver, British Columbia, on Sunday, July 8. From there the group will make its way east to Calgary for the main part of the conference that starts on Friday, July 13. During the next six days there will be tours, a day-long technical conference, the World Hereford Conference Cattle Show and Junior Show and of course, the famous Calgary Stampede. This is the 100th anniversary of the Stampede that will make this year's event even more spectacular. After a farewell barbeque dinner on Wednesday, July 18, a post-conference tour will continue going east and end in Niagara Falls on July 24.

There are many options that allow you to take in the entire 17 days or parts of the event. We will continue to give you more details on the various travel options through the next months. Deadline for registrations is May 15. To view the schedule, fees and tour options go to the World Hereford Conference website, <http://www.cvent.com/d/kcqvjv>.

Diane Johnson is the event concierge for the American Hereford Association group and is available to answer your questions and assist with your travel arrangements. You can contact Diane at diane@detailsbydesign.net. ★

SELLING:

60 Two-Year-Old Bulls

72 Open Hereford Heifers

Central Location. With the *geographical center of Texas* only 13 miles away, we're close to everyone.

Guarantee. We absolutely guarantee our cattle. If you are not completely satisfied, we will make it right!

Strategic Planning. We aren't afraid to spend big bucks when we spot an industry changer. Our bold move several years ago to purchase IMR Patriot 3113 3ET has allowed us to move our cowherd to the forefront of the industry. His daughters are truly impressive with beautiful udders, feminine profiles, and the ability to wean heavy calves under severe drought conditions. 3113's EPD numbers continue to climb when other bulls' numbers often decline as daughters enter production. We've shared a few of his females in previous sales and they are always crowd favorites.

As I return from another great Hereford event at the National Western Hereford Show in Denver, my mind focuses on the upcoming events to take place at another great stock show we host in Fort Worth and all the related events.

What makes one show or event more special than another? The people who exhibit and attend make the events successful. Denver has its special attractions. The Mile High city, the carload and pen bull shows, the sale and certainly the

number of entries. Texans played prominent roles in all aspects of the shows and sales as reflected in the reports elsewhere in this magazine. One had to be there to appreciate the awesome quality of the cattle presented to the viewing public this year. Hereford breeders can be proud of the breed as represented by the exhibitors and have confidence that Herefords indeed have a bright future in the beef industry.

As manager of THA and a native Texan from the Fort Worth area, I cannot help but envision our Fort Worth Stock Show becoming the "Must Attend" event of the year. In addition to our annual membership meeting and social, we have our 43rd annual replacement female sale with some of the best heifers ever consigned, our Heritage pen and directors pen of heifers donated by a group of extremely dedicated and loyal Hereford breeders, a Cowtown Select Sale featuring some class and division winners from Denver and Reno and a quality open show that had the largest number of entries in a number of years. What more do we need for Fort Worth to be the greatest Hereford Event of the year?

THA really gets the year started in Fort Worth with the membership meeting, election of officers, sales and shows. The new executive committee will appoint committees and plan for events for the rest of this year and into the next few years. I solicit all members who have thoughts, ideas, and projects or just want to volunteer their time and service to step forward and let the president or myself know. I challenge every member to try to recruit one new member. Surely you have a neighbor, customer or friend who could become a member. We need more active members participating in all of our events. Let Us All Work Together to Make THA and HEREFORDS THE BEEF BREED SUPREME! ★

By Garrett Floyd, TJHA second vice president

I was given an opportunity this year to give back to the Hereford Industry that has been so good to me as I have grown up in it. I traveled to Denver to the National Western with B&C Cattle Company's string. Instead of my usual roll as the Junior exhibitor I was a rookie again and low man on the totem pole as a hand for a ranch other than my family. It was a lot of hard work and well worth the effort, I am hoping to continue to make National Shows and help other Hereford exhibitors with their strings. Thank you Chad and Bill for allowing me that opportunity.

I am Garrett Floyd, your Texas Junior Hereford Association, Second Vice President, from Wink, Texas. The Fort Worth Stock Show was the place to be as our Texas Junior Horned and Polled Associations came together in a joint meeting to discuss and plan our Texas Junior State Show to be held in Belton, Texas this June. Presidents Logan Cline and Ashley Radde co-chaired the meeting in great fashion. The topic of this year's theme was brought up and after some discussion we decided to follow in suit our NJHE Show by using the same theme which is "Living the Hereford Life." I am told to be ready to become a beach bum as this will be the year of the summer beach party at our State and National Shows. Sounds like a lot of fun to me. Each of us signed up for a committee or two to help with at our State Show. If you haven't signed up for one please let Logan or Ashley know, their email addresses are on our Texas Jr. Associations websites. It takes all hands on deck to pull off a show as big as ours!! There are several opportunities to help out on as a committee member or as a participant. The National Junior Hereford Associations web site hereford.org has a list of all the contests offered. Our state show differs a little, just visit with any Texas Jr. Member to see

if the contest you want to participate in will be offered at our State Show. Contests and events such as ,but not limited to are a Community Service Project, Silent Auction, Team Marketing, Calcutta, Team Fitting and many many more! Don't be a stick in the mud, step up, get involved and make something happen!!

On another subject, it doesn't look like this ol'Drought is keeping our Hereford exhibitors down. The first show of the year, Sandhills Stock Show in Odessa, Texas, was up in numbers this year!! With some new committee members on board things are looking very good for the future of this show!! Make it a destination in 2013! It will be worth your effort! The turnout of Hereford Juniors at the Fort Worth Junior Show was right on tract, and there were 29 Junior Heifers entered in the Open Show! Juniors don't forget about the opportunity our Texas Hereford Association members and sponsors are giving you at the Fort Worth Open Show. The top two placing Junior Exhibitors in the Open Show are awarded a pretty handy amount of cash, \$5,000 for the top placing Junior and \$2,500 for the Second Highest placing Junior. That will go a long way to help with a college education. Make sure to say Thank You to each of the Sponsors of that award next time you see them. Congratulations to my fellow Highest Placing Hereford Junior recipients Garrett Buchholz and J.D. Schnitker for receiving this year's honor.

In conclusion, as I go into my last two years of State and National Jr. Hereford Shows, I want to take a second and thank all the people that had a hand in helping to make my career as a Jr. Hereford member a success. Thank you most of all to my family, I could not have done it without you. I hope I will make you proud in the future! Take care and God Bless. ★

Mile High Night Hereford Sale Jan. 13, 2012 National Western Stock Show Denver, CO

Auctioneer: Eddie Sims,
National Cattle Services

		Avg.
4.41 Bulls	\$181,750	\$41,213
12 Females	\$102,250	\$8,521
5 Flushes	\$46,000	\$9,200
33 Embryos	\$22,025	\$667

Excitement and enthusiasm filled the air in the packed Beef Palace Auction Arena for the Mile High Night Hereford Sale, Jan. 13, at the National Western Stock Show (NWSS) in Denver. The Hereford offering was top-notch and the bidding proved it. When the gavel was silenced for the final time, a total of \$372,025 was sold, with 4.41 bulls averaging \$41,213, and 12 females commanding \$8,521 per head. Five flushes brought \$9,200 per flush and 33 embryos averaged \$667.

Topping the sale at a \$62,500 was Lot 36, which was a March 2011 bull by CMR GVP MR Maternal 156T and consigned by Grandview/CMR, Como, MS. The bull, GV CMR Strong 156T Y449 ET, was purchased by Sparks Ranch, Waverly, AL, and the Strong Syndicate.

A very close second high seller was Lot 15, which sold to the Perfect Timing Syndicate, Thedford, NE, for \$62,000. The syndicate purchased a 1/4 semen interest in H H Perfect Timing 0150 ET from consignors Churchill Cattle Co., Manhattan, MT; Hoffman Ranch, Thedford, NE; Holden Herefords, Valier, MT; Grand Meadows Farm, Ada, MI; Chris Frans, Thomas, OK; Curtis Castle, Crawford, OK; and Don Moler, Cheyenne, OK Perfect Timing is an Aug. 2010 son of CRR About Time 743.

The third high seller was Lot 8, the pick of Ned and Jan Ward's 2012 heifer calf crop. Boyd Beef Cattle, Mays Lick, KY, paid \$28,000 for the opportunity to select a top female from the Ward's Sheridan, WY operation. ★

Embryo Package Sells for \$20,000 to Benefit Hereford Youth

Hereford enthusiasts once again came together to support the youth Jan. 13 in the Beef Palace Auction Arena during the National Western Stock Show in Denver. Belle Point Ranch and the Dave and Mary Ann McMahon family of Ft. Smith, Ark., generously supported the Hereford Youth Foundation (HYFA) by purchasing the embryo package for \$20,000. All of the

proceeds go to HYFA.

With the purchase of Lot 1, Belle Point and the McMahons have acquired six exciting matings, 20 embryos in all, and some of the top Hereford genetics in the country.

These generous donors contributed to the embryo package:Sunset Ridge Herefords, Billy Martin, Cumming, GA; Mill Creek Ranch/Pied Piper Farms, Alma, Kan., and Hamlin, TX; Jensen Bros., Kevin and Shelia, Courtland, KS; Topp Herefords, Ryan and Prairie Topp, Grace City, ND; Fawcett's Elm Creek Ranch, Keith and Cheryl, Daniel and Kari, Ree Heights, SD.

Through the years Belle Point Ranch and the McMahon family have been very supportive of Hereford youth. They also purchased the 2010 HYFA Foundation Female.

"Since 2008, Lot 1 has generated nearly \$250,000, and it is very rewarding to have donors like Belle Point Ranch step up time and again in support of the Foundation," says Amy Cowan, HYFA director. "The Dave and Mary Ann McMahon family, as well as the embryo donors for this year's package lot, are to be commended for their continuous support of our Hereford youth program." ★

A rare combination of several proven genetic lines. "115" provides a fresh, bold approach to tomorrow's direction boasting 10 traits better than breed average. He was the top-selling fall yearling in our recent production sale going to Myers Herefords, Hamilton, CO for 3/4 interest.

We predict a stellar show career that has started out so well being named the **FALL HORNED DIVISION CHAMPION** at the 2012 Southwestern in Fort Worth. However, his true worth will most likely come from the blended power of his **PERFECT uddered dam** and his **STANDOUT sire** who is the thickest "3027" son we've seen.

Semen packages are available at \$1,000 for 20 straws and ten certificates.

Also, contact us about your spring semen needs from our outstanding line up of sires including L3 Winn Rambo 851, Star L3 Gerber Vision 053, and Desert Comfort 037.

Traces back 4 times to the immortal King Ten!
