Attention Juniors: \$5,000 for Top Jr. in Fort Worth National Show

Funds have been committed to award \$5,000 to the top placing junior heifer and \$2,500 to second place junior heifer (if funds permit) that is exhibited at the National Hereford Show in Fort Worth. A second scholarship will be awarded if \$5,000 is exceeded. Exhibitor must be at the halter of his/her own heifer as well as be eligible to show in the junior show the previous week. The heifer must be eligible to show for Grand Champion (no Cow/Calf). This is an incentive to encourage junior exhibitors to exhibit at the open show on January 30, 2012. To be eligible for the award, the exhibitor must enter the open show by the November 15th deadline. The exhibitor must be a member of the TJHA.

The sponsors of this award are committed to making this an annual event and hope to grow the fund to increase the prize as well as create a special belt buckle for the event.

Anyone wishing to join this effort should contact Jack Chastain at the THA office. ★

THA Scholarships

The Foundation of the Texas Hereford Association will award \$1,000 scholarships to qualifying high school seniors and college freshmen. You may call the THA office to obtain information or go to www.texashereford.org and click on the youth link for THA Foundation scholarship requirements and instructions. Deadline for applying is January 15, 2012. The awards will be presented at the THA Annual meeting in Fort Worth, January 28, 2012. The THA's number is 817/831-3161. ★

West Texas Scholarship Info

Information, criteria and scholarship application regarding the West Texas Hereford Association Curly Hays Memorial Scholarship can be obtained on-line at www.cfabilene.org under scholarships and then finding West Texas Hereford Association Curly Hays Memorial Scholarship. The deadline for the scholarship is April 1, 2012. If applicants have questions or are unable to obtain on-line call Twalla Simmons at 325-893-5993 or 325-669-1692 and the information will be mailed. ★

Nominating Committee Selected

THA President Scott Nolan has appointed the nominating committee for the upcoming annual meeting and election of officers and directors. They are: chairman, Tom Echols, Breckenridge - 254-559-0156; and members Chris Scharbauer of Amarillo - 806-679-7995; and Larry Woodson of Wolfe City - 214-288-1610. These persons will greatly appreciate any input from the membership regarding the 2012 election. ★

Charles A. Bird

Charles Allen "Charlie" Bird, 77,

of Midland, passed away Thursday, December 8, 2011 in the Hospice Inpatient Unit at Midland Memorial Hospital.

Charlie was born December 2, 1934 in Midland to Ethel (Williams) and Freeman Allen Bird. He attended high school at Allen Military Academy in Bryan. He also attended Texas Christian University. Charlie married Kay Bast on June 29, 1974 in Midland.

He was a past president and/or director of Ruidoso Jockey Club, Racquet Club, Texas Southwestern Cattle Raisers Association, Texas Hereford Association and Texas Angus Association. He was a member of Shikar Safari Club International, Dallas Safari Club, Safari Club International, NRA, and Masonic Lodge, as a 32nd degree Mason.

He was a member of the First Presbyterian Church in Midland. Charlie was a prominent businessman and rancher. Editha Grace Dudley

Editha Grace Williams Dudley, 99, died Saturday, Dec. 24, 2011, at her home on Dudley Bros Ranch, Comanche.

Editha was born Sept. 7, 1912, at the family home in Comanche, the youngest daughter of Thomas Jackson and Julia Everidge Williams. She grew up in Comanche and attended

Comanche public schools until enrolling at the Hockaday School in Dallas for her high school years. Following graduation for Hockaday, Editha went to Randolph Macon Woman's College in Lynchburg, Va., for her freshman year. She then transferred to the University of Texas at Austin to complete her education. She was a member of Pi Beta Phi at The University. She also studied at New York University and Columbia University in New York City. Additionally, she studied at the University of Missouri. Following her collegiate years, Editha traveled extensively in Europe for six months with college friends. Following her return from Europe, Editha met the love of her life, Gail P. Dudley, whom she married on March 29, 1938. On their wedding night, she and Gail moved to the Dudley Bros Ranch where they raised their children and good Hereford cattle. Editha was a tireless volunteer serving in many capacities throughout her life. She served as den mother, Brownie leader, president of the PTA, member of the Comanche Garden Club, president of the Comanche Study Club, president of the Rejebian Club, president of the Women of the Church, founding member of the American Hereford Auxiliary, the Texas Hereford Auxiliary, the Texas Sheep and Goat Raisers Auxiliary, and was very involved in the building of the Comanche Public Library. She was a member of her beloved Tuesday Club and Wednesday Luncheon Club and was a founding member of the PAR Country Club. Editha's passions were her husband, children, grandchildren and great-grandchildren, art and music, entertaining, gardening and landscaping, needlepoint, world travel, bridge and dove hunting.

She was preceded in death by her husband; parents; her brothers, Harold, Colquitt, Herbert and Walter Williams; her sister, Maidee Shear; and her grandson, Jackson Albert Dudley.

Survivors: She is survived by her children, Jim and Margaret Dudley, Julia Dudley Allison, John and Ginger

Dudley, T.J. and Kerry Dudley; her grandchildren, Crawford Allison, Justin and Amanda Allison and their child, Arthur, Paul and Kimber Allison and their daughter, Jillian Grace Allison, Gardner and Elizabeth Dudley and their sons, William Jackson Dudley, Thomas Coleman Dudley and Hudson Andrew Dudley, James and Kara Dudley, Patrick Dudley, Gerald Dudley and Geoffrey Dudley; her beloved niece, Quay Williams McCall; and numerous other nieces and nephews. ★

Bernice J. Weinheimer

Bernice Josephine Weinheimer, née Klein, passed away in her home on Weinheimer Ranch, Stonewall, on December 18, 2011, at the age of 80 years old. She was born on November 14, 1931 in Fredericksburg, Texas, to the late Emil and Otilia Klein.

Bernice was raised near the banks of the Pedernales River in Stonewall, Texas. She graduated from St. Mary's High School, Fredericksburg, in 1949. On July 5, 1950, she married Roy E. Weinheimer who became her constant companion and loving caretaker during the last years of her remarkable life.

At the age of 19 years Bernice gave birth to her first child and for the next 21 years delivered and nurtured seven more children. Her oldest son, Phil Paul Weinheimer, preceded her in death at the age of 16, and was laid to rest exactly 42 years to the date on December 22, 1969.

Bernice was a passionate mother, loving wife and influential grandmother, cooking, sewing, packing lunches, sacrificing, leading, guiding, supporting and setting examples during the past 61 years. She was a gentle giant and was the quintessential homemaker.

She was devoted to the Catholic Church and was life long member of the St. Francis Xavier Catholic Church of Stonewall. She was an influential church member and as Alzheimer's ravished her mind, she continued to recite prayers to the Lord without fault.

While rearing her family, Bernice found time for community and school volunteer work and held leadership roles in such organizations as the St. Rose Society, Home Demonstration Club and Stonewall Historical Society. She also chaired many community, youth and church committees and fundraising events.

She is survived by her husband of 61 years, Roy E. Weinheimer, Stonewall, as well as seven children, daughter Brenda and husband Roland Rode, Llano, son Kim Weinheimer and wife Janis, Kyle, son Len Weinheimer, Stonewall, son Don Weinheimer and wife Colette, Fulshear, daughter Joy Reznicek, Aliceville, Alabama, daughter Lea and husband Butch Stokes, Boerne and son Kip Weinheimer and wife Jenée, Fredericksburg. She has twelve grandchildren and one great grandchild: Kyle Rode and wife Cheryl, College Station; Josh Rode and wife Janna, Llano; Jordana Rode, Llano; Anna Weinheimer, Kyle; Chism, Lexus, Cord and Camry Weinheimer, Stonewall; Jetta and husband Chad Eckhardt, Fredericksburg; Walker Weinheimer, Fulshear; Baylor and Ashlyn Weinheimer, Fredericksburg and great granddaughter Taryne Rode, College Station. She is also survived by sister-in-laws and brother-in-laws Betty (Mrs. Paul) Klein, Clifton (Mrs. Alois) Klein, Evelyn (Mrs. Clarence J) Klein, Arthur Lynn Hahn & wife Julia, Betty (Mrs. Tom) Weinheimer, Evelyn (Mrs. Harold) Woods, Joanne & Harold Kusenberger, and Clara (Mrs. Harvey) Garber. She was preceded in death by son Phil Weinheimer; parents Emil and Otilia Klein; son-in-law Joe Reznicek; sisters Agnes Klein, Rita Klein Burg, Leona Klein Koch, and Adeline Klein Hahn; brothers Lawrence Klein, Paul Klein, Alois Klein, and Clarence J. Klein; mother-in law and father-in-law Herman & Anna Weinheimer; brother-in-laws Werner Koch, Jacob Weinheimer, Tom Weinheimer, Harold Woods and Harvey Garber; and sister-in-laws Hilda (Mrs. Lawrence) Klein and Margaret (Mrs. Jacob) Weinheimer. ★

Reception to honor Show Honorees B&C Cattle Co.

As 2011 comes to a close we can all be thankful for the positive things that happened this year and make plans to change the not so positive ones. Our Hereford cattle continue to gain back acceptability as more and more cattlemen realize what our breed has to offer. The Hereford cow is our rock of strength. We must build from this. Our bulls continue to make an impact with the number of calves they can sire. As we identify our better carcass trait animals and use sires

with more muscle, REA and IMF epd's, we will continue to increase market share of the bull trade. We must get more aggressive and effective in promoting our breed and our product. We must do a better job of developing and selling our cattle.

This issue is full of activities and opportunities for Hereford breeders and enthusiasts. Your staff and executive committee have planned a few new activities for the upcoming year. We will

be back at the Fort Worth Botanic Garden for our annual meeting. We have planned an educational forum from 1:30 to 3:30 pm with Craig Huffhines from AHA, Cary Crow from Trans Ova Genetics, Dustin Dean of Sexing Technologies and Dr. Brad Stroud as speakers. Our forty-third annual replacement female sale and Cowtown Select sale have excellent offerings. We need your presence and participation for these events to be successful. The sale at Morgan is gaining momentum as well as consignments. We also need your input on activities that would make you more proud to be a member of this organization. If you want to contribute time and ideas, contact myself, President Scott Nolan, any member of the executive committee or this years nominating committee. Your help, ideas and contributions are most appreciated. We have a small group of members carrying membership. We need more participation from more members. Specifically we need your attendance at Hereford events. Success is generally measured by size of the crowd. Next we need more participation in advertising in our publication. More ads allow us more editorial and both will enhance Herefords and THA.

I extend a plea to all members who do not have a card ad in the magazine. We need your help in keeping enough ads to pay production costs which continue to creep upward. We also need more members to balance our operating budget. If each current member adds a customer, friend or neighbor as a member, our membership will double. We have experienced a shortfall of revenue over expenses the past few years and are reaching a point of concern. We need your help. One member of the executive committee suggested that we ask members to sell an old cow and donate to THA. We have had a few members do this and have collected over \$5000 in 2011. Another suggestion was to sell any scrap metal around the ranch and donate to THA. Any help will be most appreciated.

As 2012 progresses, I hope to see more of our members at Hereford events. I hope you encourage a friend or neighbor to come along and become active in our association. January is a busy month, but there is something to do every month. Watch our magazine and our web site for more exciting events in the planning stages for this year. Together we can make Herefords reign supreme. ★

72 Open Hereford Heifers

Central Location. With the *geographical center of Texas* only 13 miles away, we're close to everyone.

Guarantee. We absolutely guarantee our cattle. If you are not completely satisfied, we will make it right!

Strategic Planning. We aren't afraid to spend big bucks when we spot an industry changer. Our bold move several years ago to purchase IMR Patriot 3113 3ET has allowed us to move our cowherd to the forefront of the industry. His daughters are truly impressive with beautiful udders, feminine profiles, and the ability to wean heavy calves under severe drought conditions. 3113's EPD numbers continue to climb when other bulls' numbers often decline as daughters enter production. We've shared a few of his females in previous sales and they are always crowd favorites.

Unique Opportunities

Heritage Pen

Ten very loyal commercial ranches continue to donate a branded weaned heifer calf for a pen to sell at the 43rd annual whiteface replacement female sale. These ten ranches represent over 1,100 years of Hereford heritage, as well as nearly 2 million acres of ranch land and nearly 100,000 Hereford cows. Proceeds benefit the general operating account of Texas Hereford Association.

Donors include:

Bud Brainard Estate, Canadian • Ed Brainard Estate, Canadian
Bridwell Ranches, Wichita Falls • Gray Wynn Klein Ranch, Henrietta
Kokernot 06 Ranch, Fort Davis • McKnight Ranch Co., Fort Davis
Scaling & Co., Henrietta • Scharbauer Ranch LLC, Midland & Amarillo
Swenson Land & Cattle, Stamford • W.T. Waggoner Ranches, Vernon

Challenge Pen

This year a group of breeders challenged each other and me to put together another group of open heifers to sell at the annual replacement sale. We designated the proceeds to go to our THA Foundation to boost our endowment funds that generates interest for us to use for our scholarship and other youth and educational purposes.

These ranches include:

Barber Ranch, Channing • Coates Ranch Co., Big Lake
Fuston Herefords, Turkey • H2 Ranch & Cattle Co., Madisonville
Lone Star Hereford Ranch, Henrietta • Donlie McMullin, Copperas Cover
MW Herefords, Brownwood • Mockingbird Hill Herefords, Mineral Wells
Summerour Ranch, Dalhart • W4 Ranch, Morgan

Silent Auction

Plans are being made to have a number of items available for a silent auction during our social hour. Early donations include Hereford art, Hereford photos, Hereford hide, livestock mineral, feed, jewelry, Hereford knives and Fly tags. Anyone wishing to donate an item to the silent auction please contact Jack Chastain by Wednesday prior to the January 28 meeting.

Horned Heifer: RJ Melissa 106 • DOB: 4-3-2011 • #43237503

106 is a deep bodied, square hiped, and Stout boned heifer. This heifer is good on the move and super cool fronted. Her Dam is one of the best producing cows in our herd. She is good uddered and out of a full brother to 146. The sire is one of the most productive bulls in the Hereford breed today, known for producing great females. 106 has a great future ahead of her.

Selling full interest and would like to reserve a flush (6 eggs)

KTP Vaquero 1038-(43207238)

1038 has herd bull potential written all over him. His sire GO 3196 Advance T9 has proven to be a great breeding bull that sires quality on a consistent basis. Donor Dam T42 is a moderate framed, big ribbed, low maintenance cow with a nice tight udder and raised 1038 naturally. Vaquero is a yellow haired, pigmented, solid marked calf with loads of mass and thickness. Be sure to check out his ideal set of numbers and stacked pedigree. Visit CandMHerefords.com for more details or call Kyle Perez at 575/403-7971.

C&M Foresight 1043-(43207242)

1043 has always been the kind of calf that has caught your eye since birth. He is sired by GO Advance 3196 T9. Dam 6022 is a beautiful 0140 daughter with an ideal udder. Foresight is very nice balanced, sound structured calf with loads of rib and volume. Study his pedigree and EPD's and you find he's everything a breeder's next bull should be. Stout, Correct, Balance and Performance describe this excellent herd bull prospect. With an individual WR of 105 and his dam's WR performance of 106.7 on 3 calves justifies not only 0121 as a performance individual but his dam as well. 0121 has exhibited style and eye appeal by placing second at the 2011 Jr. National and first at the 2011 American Royal in Kansas City. Note the excellent EPD numbers and carcass data he possesses to make him a herd improver that can be used on cows as well as heifers. He is wide from top to bottom and is very fluid in his movement. 0121's sire is the popular T-Bone bull that is very quickly proving he is a bull that can do it all. 0121 is from the same sire as our 2011 sale entry that sold to Meischen Polled Herefords of Yorktown, TX for \$6,200.00. 0121 will be stalled in the Lorenzen Farm stalls.

calf were the high selling spring pair. 021W is a beautiful fronted, moderate framed, excellent uddered female with extra pigment, substance and doing ability. I don't think there is a female on our place that is a better fit for the true power and growth bulls that we own. This young family is a descendant of one of Jensen's favorite cow families of all time, which makes her highly maternal. This combined with her carcass merit and pedigree makes her ideal for the times. The seller guarantees 6 embryos, 3 pregnancies when transferred by a credited technician.

This new little heifer has the potential to be anything you want her to be....Show Heifer, Donor Dam, or a front pasture kind of cow. As a show heifer she is in an odd age group, being a May. She is extremely huge middle with an attractive front. She moves well and has good feet and legs. She is extremely gentle and has decent hair. She is moderate in her framework. As a potential donor dam or pasture cow she is going to be a superstar. Her dam has a beautiful udder and with the mating we expect her to be no less. On the maternal side of her pedigree, she goes back to the 5078 line, which is a proven line for both Barber Ranch and KLD Herefords. Look here for the next piece of your puzzle.

This young herd sire
may be
the next great bull
you have been looking for.

BWT. 85 lbs.

This March herd bull prospect sired by the "Bob" bull from the Fawcett Ranch in South Dakota has all the parts and the pedigree for the makings of a great herd bull. The few Bob calves that have been sold have made everyone stop and take notice. 1127 is no different. He is truly a unique individual on paper that definitely requires attention. There is L18, 5131, loads of Oxley maternal power and I could go on listing more! Phenotypically, he is a super long sided, long

hipped individual that carries the mass, both in muscle and dimension to complete the package! Additionally, he is super sound, and fully pigmented!

His dam was a great show heifer for Jason, winning her fair share of shows and is making her mark as picture perfect cow. We think so much of this young sire we wish to retain a 1/4 semen interest, selling full possession.

Paris Gibbs

Walter P. Gibbs Jr., is known to friends as Paris. Growing up, he followed a Methodist preacher around east Texas. His mother and father both devoted to the church and he certainly considers that as an important part of his upbringing along with his only brother, George.

Paris attended Lon Morris College in Jacksonville and through the final two years at Southwestern University in Georgetown.

Following his great college days, he spent two years in the U. S. Army and then back home to find work. His uncle from Houston told him of an opening in a small community bank near his home and so began a forty-year career in banking. Paris especially enjoyed his years as President of Guardian Bank in Houston that began in 1970. His associates were a very special group of people and he enjoyed working with them.

Paris' years in banking were busy, but he and wife Jan, enjoyed weekends camping until the crowds became too large and they needed another getaway. This getaway turned out to be 160 acres outside of Caldwell, Texas. His first purchase of cattle was in early 1967 with five commercial Hereford cows with calves at their side. He continued to own and enjoy his cattle for several years, but in 1986, he decided a need to focus in some other area of the business.

The F-1 Braford seemed to always be in demand and at the top the market. The decision was made to go with F-1's and he purchased 18 head of Brahma females. Over the next several years he purchased more cattle and land and become a regu-

lar at Weldon Edwards's sales. Many of you will remember Mr. Edwards not only as a fine gentleman but a truly great breeder of our Hereford cattle. Stanley Stout held the gavel at these sales as well as annual events at the Fort Worth Stock Show. Tell me sometime if you've ever known a better auctioneer.

It has been a privilege through the years to know many Hereford people, but I'd better not start a list, it would be long and I'd surely forget some that should be listed. I will mention one name, Jack Chastain, he and Lyn have been friends for years and I feel we are fortunate to have him head up our association for so many years. One more I should mention is Roy Herrmann. He was my neighbor and good friend in Caldwell and one time president of the Texas Hereford Association. You were seldom around Roy for long when Hereford cattle became a part of the conversation.

Today we run about 90 Brahma and 30 Hereford cows. Several different years our heifers have won the commercial show at the County Fair, most recently this year.

Thank you so much for this honor it certainly will be one of the most cherished memories for both Jan and me to recount. Good cows and good bulls plus a little TLC usually make for winners. We look forward to a great 2012. ★

Danny and LeRuth Stewart

Danny and LeRuth Stewart of Sterling City, Texas have been associated with Hereford cattle as long as they can remember. Danny and LeRuth are commercial cow/calf ranchers in partnership with their son and daughter-in-law Reed and Ronda Stewart and grandchildren Rope and Riggins Stewart, also of Sterling City. Reed and Stewart Ranch operate on family-owned land in Sterling, Howard, and Mitchell counties. The ranch had its beginning in 1889 when LeRuth's grandparents came to Sterling County and homesteaded land. Hereford cattle have been utilized for this family operation since its beginning.

Danny was born in Brady, Texas to Nolan and Ruth Stewart. Danny moved to Sterling City when he was in the fifth grade. After graduating from Sterling City High School and Texas A&M University with a B.S. Degree in Agricultural Education, Danny married his classmate LeRuth Reed. LeRuth is

a life-long resident of Sterling City and was the daughter of Lee and Ruth Reed. LeRuth also graduated from Sterling City High School and received a B.S. Degree in Home Economics Education from Abilene Christian University. After their marriage in 1964, Danny and LeRuth moved to Lamesa, Texas. Danny served as Assistant County Agent for one year before coming back to Sterling City to ranch in partnership with LeRuth's parents and the Chesley McDonald family. While living on the ranch Danny and LeRuth were blessed with two children Reed

(1966), a graduate of Tarleton State University and Rene' (1969) Rene' was in a fatal car accident at the age of 25 after completing both her B.S. and M.S. degrees in agriculture at Texas A&M University.

Danny and LeRuth have been actively involved in many community activities. Danny has served on the Sterling City School Board and as a County Commissioner. Danny is currently serving as a Director of the First National Bank of Sterling City, director of the Texas and Southwestern Cattle Raisers' Association, and is a member of the National Cattlemen's Beef Association. Other memberships have included the Texas Sheep and Goat Raisers' Association, Farm Bureau, Soil and Water Conservation Service, the Young Ranchers' Association, the Sterling County Livestock Show Association, and a deacon in the Sterling City Church of Christ.

Danny and LeRuth are members of the Texas Hereford Association

where Danny has served as a director and LeRuth has served as an officer of the Texas Hereford Auxiliary. Both are members of the American Hereford Association where LeRuth has been on the American Hereford Auxiliary Board. LeRuth has served on the National Cattlemen's Beef Association Beef Safety Committee, President of Silverbelle Cattlewomen, and was a member of Texas Cattlewomen. LeRuth has spent much of her time volunteering in the community. She has served on the Historical Committee which published a book on Sterling County history, as a Bible teacher at the Sterling City Church of Christ, a member of the TS&GRA Auxiliary, the PTA, the Booster Club, and numerous other club and civic activities. She also served on the Visiting Committee for Abilene Christian University.

Throughout the years, the Stewarts have been strong advocates of the 4-H, FFA, and TJHA programs. They received the FFA Mom and Dad Award and LeRuth received state recognition as a volunteer leader for her service as President of the District 4-H Leaders' Association. Both Reed and Rene' served on the TJHA Board where Rene' served as President and as the Texas Hereford Queen. Danny and LeRuth also served as TJHA advisors. Reed and Rene' showed Hereford heifers, steers, and lambs throughout their school years. Danny and LeRuth now enjoy working with their grandchildren in their 4-H and TJHA activities.

"Some of our most memorable moments have been travelling all over the U.S. watching our grandson Rope show his Hereford heifers. Riggins is excited about this year as she follows in a family tradition of showing and raising Herefords. We are proud to be associated with the Proud Breed with the White Face and all the wonderful friends we have made in this association through the years." ★

Friend of the THA

James F. Boyd was born at Higgins, Texas and grew up on a livestock and grain farm near Arnett, Oklahoma. After graduation from high school he entered Oklahoma State University and was awarded a Bachelor of Science degree in animal science.

Following graduation he was the assistant to the managing partner of Mt. Haggin Livestock, Inc., Anaconda, Montana for seven years. In 1969 he became assistant superintendent of the Fort Robinson Research Station at Crawford, Nebraska. In January of 1970 he became director of the Ankonny Performance Evaluation Center at New Market, Virginia. In September of 1971 he was manager of the Valleydale Farms feedlot and cow-calf unit at Foster Falls, Virginia. Mr. Boyd then joined the staff of the American Hereford Association as field representative in the territory consisting of the portion of Texas located west of I-35, New

Mexico and Mexico. He retired from American Hereford Association in 2004.

Boyd and wife, Marylee, reside in Abilene. They have one son, James, 3 grandchildren and 3 great-grandchildren.

Mr. Boyd would like to thank all the breeders who have laughed at his old stories, all the ladies who have fixed him all the delicious meals, and for all the time and miles spent touring him around the pastures showing your cattle and finding that special cow and calf. But most importantly being treated as a part of your families which has always meant so much to him and why Hereford breeders are the best and have the best breed of cattle. ★

Booster of the Year

Chris Scharbauer of Amarillo, Texas, raises commercial Hereford, Angus-cross and Charolais-cross cattle. He is president and owner of Scharbauer Ranch LLC and owner of the Five S Ranch LLC in the Texas Panhandle.

Chris is the fourth generation of a family that began ranching sheep in 1883 and brought some of the first registered Hereford cattle to West Texas in the late 1880's.

He is a 1973 graduate of Texas Christian University's Ranch Management Program, Fort Worth, Texas.

A Texas and Southwestern Cattle Raisers Association director since 1979 where he has served on the Executive Committee and as chairman of the Brand and

Inspection Committee. He has served as President of the TCU Ranch Management Alumni Association, Texas director of the American Quarter Horse Association, and director of the Sand-Hills Hereford and Quarter Horse show in Odessa, Texas. He has received the distinguished Alumni Award for TCU Ranch Management and the Distinguished Service Award in Midland.

Chris has served as a judge for the THA Whiteface Replacement Female Sale in Fort Worth and many times as a grader for the San Antonio Livestock Exposition All Breed Bull Sale.

He and his wife, La Vonne, have five children, Christen, Meghan, John Christian, Audra and Rachele Clare. ★

Show Honoree

Bill Breeding

B&C Cattle Company is located in the Texas panhandle in Miami. Eighty miles northeast of Amarillo, Miami is the county seat and the only town in Roberts County. Both Bill and Chad Breeding live in Miami which is the headquarters for B&C Cattle Company.

In 1955 when Bill was a freshman in high school he purchased two registered Hereford heifers from John B. Talley, a local registered Hereford breeder, with the money he received from selling a 4-H show steer. These heifers were of Blanchard Return by Anxiety Fourth breeding and are the basis for the cow herd that exists today.

While Bill finished high school, Texas A&M University Veterinary College and the U.S. Army, Earl Breeding, Bill's dad, bred, developed, and maintained the herd with bulls he purchased from Clyde Magee and Jake Hess-Doctor Herefords, both of McLean, Texas. In 1965 the herd had grown to 30 head of registered Hereford cows. Dr. Jim

Bill Caldwell, a brother to Bill's mother Mildred, bought half-interest in Bill's herd and a new name of Breeding and Caldwell was introduced to the Hereford business. In the fall of 1970 a Hereford bull "Mill Iron Silver B36" of Bridwell Hereford Ranch breeding, was purchased from Clark Mathers, a reputation commercial Hereford breeder in Hemphill Co. B36, the first in a series of herd changing sires to be purchased by Breeding and Caldwell, was a very consistent breeder adding size and length to an already structurally clean herd of feminine cows with extremely good conformation. In 1974, B36 was one of the very first bulls in the breed to be named a Feed Lot and Carcass Register of Merit Sire and in 1975 was recognized as a Show Ring Register of Merit Sire, making him one of the very first bulls in the breed to accomplish both of these feats. HH Advance C316 (1963) was the first L1 bull that Breeding and Caldwell used and Les Holden told Bill that 316's gain index of 156 was the highest in Montana for a Hereford bull.

In 1976, Dale Barber of Channing and Bill went to see Jim Fiedler of Stanford, Montana, a long time customer of Les Holden and L1 cattle, and came home with three bulls, an 8 year old HH Advance 803; a 10 year old WCR L1 Domino 6313 (Clown) and the most famous a 9 year old HH Advance C756 (Hatchet). Hatchet, a tremendously consistent breeding bull, stamped a style and conformation in his offspring that can still be seen in both herds today. Hatchet's best asset was his daughters, maternally sound with a functional correctness, and milking ability – a cut above the best.

In early 1965, while Bill was still in the Army, stationed in the Chicago area, he met Edie McFadden from Harvard, IL and married her in August 1965. They have two children, Chad of Miami, Texas and Christie who now lives in Hereford, Texas. Chad has two children, Austin and Blayke. Christie and husband Steve Sims also have two children, Clara and Will.

In 1977, Dr. Caldwell sold his half of the cows back to Bill, which now number 125 and the name was changed to B&C Cattle Company (Bill and Chad Cattle Co., Chad was 7 years old at that time). Today Bill and Chad run 200 registered Hereford cows and 125 commercial cows on 8,700 acres of owned and leased native grass (no irrigation). They sell 85-100 registered Hereford bulls and 70 registered Hereford females annually by private treaty and a few select consignment sales.

B&C Cattle Company's cow herd is now basically L1 with Canadian crossed bloodlines. Although we show cattle each year and do it very competitively, 95% of the cattle we sell are pasture raised and fed very little supplement. They are cattle that can turn grass into beef! Some of our best customers have commented that our bulls are "tough country bulls ready to work – bred and raised for beef". ★

BF 743 Burlesque 092X ET and GO Ms Outcross X76 topped the female shows at the Western Nugget National Hereford Show Dec. 2 in Reno, NV, while C Chanel's Nitro 1027 ET and KK New Invention 980 won the bull shows on Dec. 3. Also during the show, Joe and Connie Jess of Jess Ranch, Tracy, CA, were honored with the 2011 Lifetime Cattleman Award.

Frank Ward, Orland, CA, judged the 205-head show, and complimented breeders and exhibitors on the tremendous set of cattle shown, "It is amazing how the Hereford breed has changed in the last 20 years. Today's Herefords have as much muscle as any breed and are extremely sound. An impressive breed that is one to be reckoned with."

Hereford junior members exhibited three of the four champions in Reno. Kari Brumley, Orovada, NV, won champion horned female honors in the open shows as well as champion bred-and-owned and champion owned

female honors in the junior show with BF 743 Burlesque 092X ET. She is a September 2010 daughter of CRR About Time 743.

Kyra Stierwalt, Leedey, OK, owns the champion polled female, GO Ms Outcross X76. Also selected reserve owned female in the junior show, she is a February 2010 daughter of Golden Oak Outcross 18U.

Champion polled bull honors went to KK New Invention 980. The November 2009 son of TCW Full Throttle 8E 204N was shown by Kallie Goss, Vinton, CA. On Thursday New Invention was named champion bred-and-owned bull in the junior show.

C Chanel's Nitro 1027 ET owned by Colyer Herefords, Bruneau, ID, and Curtis and Jackie Castle, Crawford, OK, was named champion horned bull. The January 2011 son of UPS TCC Nitro 1ET first won the junior calf division.

Reserve polled female, C New Era Lady 1225 ET, is a March 2011 daughter of New

Era ET. The spring heifer calf is owned by Gary & Kathy Buchholz, Waxahachie, TX; Colyer Herefords and Jacqueline Rosson, Milford, TX.

Austin, Chance, Montana and Nick Deppe, Maquoketa, IA exhibited the reserve champion horned female, H KH DD Dianna 1202 ET. She's a March 2011 daughter of Golden Oak Outcross 18U.

H WCC/WB 668 Wyarno 9500 ET was named reserve grand champion polled bull. The April 2009 son of TH JWR SOP 16G 57G Tundra 63N is owned by Hoffman Herefords, Thedford, NE, and OJJ Ranch, Shelley, ID.

ER L1 Masterpiece owned by Jon England, Prineville, OR, was named reserve grand champion horned bull. The March 2009 son of CJH Harland 408 was first named senior champion.

At the conclusion of the show, Colyer Herefords was named premier horned breeder and premier polled breeder and exhibitor. The

horned premier exhibitor banner went to Kari Brumley.

Weimer Cattle Co., Susanville, CA, exhibited the best six head and polled get of sire. The group was sired by Golden-Oak 4J Maximum 28M.

Shellie Collins, Frederick, OK, judged the 123-entry junior show Dec. 1.

Reserve champion bred-and-owned female went to Bailey, Brice and Sallie Anderson, Buhl, ID, with Heritage Days Zee May 11025 by Boyd World Wide 9050.

Reserve bred-and-owned bull was H Victor 1001 exhibited by Shayne Myers, Colusa, CA. He's a January 2011 son of CRR 719T Topp 961.

Reserve spring calf champion heifer: Riggin Stewart, Sterling City, TX, with F Ms Payback 193 by H Payback 807 ET.

Junior calf champion heifer: Rope Stewart, Sterling City, TX, with Churchill Lady 132Y by Golden Oak Outcross 18U.
