## Attention Juniors: \$5,000 for Top Jr. in Fort Worth National Show

Funds have been committed to award \$5,000 to the top placing junior heifer and \$2,500 to second place junior heifer (if funds permit) that is exhibited at the National Hereford Show in Fort Worth. A second scholarship will be awarded if \$5,000 is exceeded. Exhibitor must be at the halter of his/her own heifer as well as be eligible to show in the junior show the previous week. To be eligible for the junior show, the ownership must be in only the exhibitors' name, no siblings or partners. See rule 12 on page 187 of the Fort Worth Stock Show premium book. The heifer must be eligible to show for Grand Champion (no Cow/Calf). This is an incentive to encourage junior exhibitors to exhibit at the open show on February 3, 2014. To be eligible for the award, the exhibitor must enter the open show by the November 15th deadline. The exhibitor must be a member of the Texas Junior Hereford Association.

The sponsors of this award are committed to making this an annual event and hope to grow the fund to increase the prize as well as create a special belt buckle for the event. Anyone wishing to join this effort should contact Jack Chastain at the THA office. ★

## Oops

In our A.I. directory in the December issue, a listing for semen sales on NJW 98S R117 Ribeye 88X ET was made. The owners of the bull closed semen sales in March of 2013. The only non-owner semen available on the bull is through special fund raising auctions like the one THA sponsors at the annual Whiteface Replacement Sale in Fort Worth. The owners have generously donated 6 straws and 2 certificates for the 2014 sale. ★

As we close out another year, the optimist in me is thankful 2013 is over and most hopeful that 2014 will bring more positive conditions for the livestock industry. We can be thankful for the positive things that happened and plan to change the not so positive ones. Our Hereford cattle continue to gain acceptability as more and more cattlemen realize what our breed has to offer. The Hereford cow is our rock of strength. We must build from this. Our bulls continue to make an impact with the

number of calves they can sire as well as the pounds and quality they breed. As we strive to use sires with more muscle, REA and IMF epd's; we will continue to increase market share of the bull trade. We must get more aggressive and effective in promoting our breed and our product. We must do a better job of developing and selling our cattle.

This issue is full of activities and opportunities for Hereford breeders and enthusiasts. Your staff and executive

committee have planned a few new activities for the upcoming year. We will be back at the Fort Worth Botanic Garden for our annual meeting. Our forty-fifth annual replacement female sale and Cowtown Select sale have excellent offerings. We need your presence and participation for these events to be successful. We have exciting plans to expand our October sale in Buffalo. We added Red Angus bulls this year and hope to grow our female consignments. Our executive committee solicits your input on activities that would make you more proud to be a member of this organization. If you want to contribute time and ideas, contact myself, President Jay Wright, any member of the executive committee or this years nominating committee. Your help, ideas and contributions are most appreciated. We have a small group of members carrying membership. We need more participation from more members. Specifically we need your attendance at Hereford events. Success is generally measured by size of the crowd. Next we need more participation in advertising in our publication. More ads allow us more editorial and both will enhance Herefords and THA. We have been able to run color ads every month in 2013 for the same rate as our old black only ads. We put our magazine on our website when we send it to the printer. Our goal is to provide you as members an affordable means to promote your cattle. We have been posting announcements and results on Facebook and have tried to start an account on Twitter.

I extend a plea to all members who do not have a card ad in the magazine. We need your help in keeping enough ads to pay production costs which continue to creep upward. Every director should have a card ad. We also need more members to balance our operating budget. If each current member adds a customer, friend or neighbor as a member, our membership will double. We have experienced a shortfall of revenue over expenses the past few years and are reaching a point of concern. Any help will be most appreciated.

As 2014 progresses, I hope to see more of our members at Hereford events. I hope you encourage a friend or neighbor to come along and become active in our association. January is a busy month, but there is something to do every month. Watch our magazine, our web site and our Facebook page for more exciting events in the planning stages for this year. Together we can make Herefords reign Supreme not only in Texas but across the USA. ★

**Strategic Planning.** We aren't afraid to spend big bucks when we spot an industry changer. Our bold move several years ago to purchase IMR Patriot 3113 3ET has allowed us to move our cowherd to the forefront of the industry. His daughters are truly impressive with beautiful udders, feminine profiles, and the ability to wean heavy calves under severe drought conditions. 3113's EPD numbers continue to climb when other bulls' numbers often decline as daughters enter production. We've shared a few of his females in previous sales and they are always crowd favorites.

## Unique Opportunities

### Heritage Pen

For fourteen years a few of our long time commercial ranches have donated a branded weaned heifer calf for a pen to sell at our annual Whiteface Replacement Female Sale. These ranches represent over 1,100 years of Hereford heritage, as well as nearly 2 million acres of ranch land and nearly 100,000 Hereford cows. Proceeds benefit the general operating account of Texas Hereford Association as well as the Texas Hereford Association Foundation. This year the Gray Wynn Klein Ranch has donated a heifer with the proceeds to be used to start a scholarship fund in memory of Cheryl Gray Klein who passed away in 2013.

#### Donors include:

Bowling Herefords, Blackwell, OK  
Bud Brainard Estate, Pampa  
Ed Brainard Estate, Pampa  
Bridwell Ranches, Wichita Falls  
Gray Wynn Klein Ranch, Henrietta  
Kokernot 06 Ranch, Fort Davis  
McKnight Ranch Co., Fort Davis  
W.T. Waggoner Ranches, Vernon

### Special Opportunity

Here is a special opportunity to purchase a 6 x 12 Utility trailer with ramp gate, 3,500 pound axle, pipe railing and treated floor. This trailer is donated by Bob Morris and his Morris Metal Works of Mt. Pleasant, Texas. MSRP \$1,400.00

### Silent Auction

Plans are being made to have an expanded silent auction at our social hour. Early items include an original Bud Snidow painting, Hereford hide, Y-TEX ear tags, livestock medication, feed and mineral. All officers and directors are encouraged to contribute to this fund raising event. Please contact Jack Chastain by Wednesday prior to the February 1 meeting of any items you plan to donate.

Here is an 8203 son that will catch your eye. Soggy made and big boned are a couple terms to describe this herd bull prospect. His dam is a 026K daughter and has been a great producer. Straight Line One genetics here.

This polled Outcross daughter will have a lot of friends on sale day. She is fancy. Her maternal sister was Res Division at Fort Worth in the open show last year for Ashley Cline. She will be fun to show but the donor pen is where she will make her mark.

## NH COPPER Z1002 • 10/09/12

This Copper is a moderate framed, heavily muscled bull with an explosive amount of depth and spring of rib.

This young bull sire will continue to profit your ranch for years to come. Phenotypically he is as complete a package as you could want. If you are looking for a herd sire to make a positive impact on your herd, take a close look at this one. Retaining 1/2 semen interest.

# THEY SELL

in Ft. Worth Cowtown Select Sale • Sunday, February 2, 2014

301 is about as complete as you can make one. This fully pigmented, stout January calf has been a favorite all summer. Closely look at his pedigree, the 7195T offspring have been making a big impact on the industry. We absolutely love the females from 0272. Perfect marked and ideally made. Don't miss out on an opportunity here to add to your program. Keep in mind- JC Cattle brings there absolute best to the Cowtown Sale and we really should be keeping part of this young sire but we are selling full interest and full possession.

Herd sire JL Outbreak 0655 has not let us down again this year. This November born son is as stout and thick as you can make one. Loaded with potential, this fully pigmented herd sire is ready to go to work. His dam is one of the best out of our fall calving herd. An ideal herd bull making mama, she's short marked, long sided and easy on the eyes.

**Lot 77 - C 6214 HOMETOWN 3196 ET**  
BW 3.2 WW 52 YW 86 MILK 23 IMF .04 REA .68  
Rarely are you able to purchase a bull that both his sire and dam have been named champion at the most competitive and prestigious show in the world the "National Western" in Denver. Lot 77 is a smooth polled son of the reigning national champion "Hometown 10Y" and this will be one of the first sons to sell sired by him.

**LOT 32 - C 8231 THRILLER 3067 ET**  
BW 3.9 WW 52 YW 84 MILK 22 IMF .03 REA .59  
This is a big stout powerful son of the Reserve Denver Champion "Thriller." He will be a member of our 2014 Denver pen bulls in the yards. He is a dark red well marked bull that has extra muscle shape and bone. He has a great set of EPD's and the bottom side of his pedigree is filled with some of our most maternal lines of cattle.

**LOT 54 - C R111 UNTAPPED 3125 ET**  
BW 4.1 WW 56 YW 93 MILK 22 IMF .11 REA .63  
Definite 2014 Denver pen bull. You won't find many young bulls with this kind of muscle shape and look. He is huge hipped, big bodied and flashy marked with a red neck and red eyes. His full sisters were lots 1 and 2 from the fall sale and both went to Bar One Ranch in Oregon.

**LOT 48 - C BAR1 9161 11X 3103 ET**  
BW 4.4 WW 57 YW 85 MILK 27 IMF -.14 REA .70  
Here is a polled son of "Mr. Hereford" out of one of our most prolific young donors "9161." She was the mother of two Denver pen bulls in 2013 and some of the high selling bulls in last year's offering.

**Lot 85 - C 105Y DOMINO R98 3242 ET**  
BW 2.0 WW 46 YW 80 MILK 30 IMF .17 REA .22  
This will be the first group of calves to sell by the \$160,000 Cooper bull "105Y." Lot 85 is out of "R98" who is a full sister to "R111." If you want one that should be able to transmit extra pigment and maternal quality he should do just that.

**Lot 72 - C CJC CHANELS SENTINEL 3165 ET**  
BW 3.0 WW 52 YW 80 MILK 28 IMF .20 REA .51  
This is the most balanced bull in the offering from every aspect. Not only is he flawless in terms of his phenotype but he combines that with having the most ideal set of EPD's one could ask for.

**Lot 78 - C CHANEL HOMETOWN 3201 ET**  
BW 2.9 WW 54 YW 86 MILK 26 IMF .01 REA .72  
Two national champions stacked in his pedigree with "Hometown 10Y" and "Chanel." This has been one of our favorite bulls because of his balance and eye appeal with a great EPD profile. Tremendous spread from birth to yearling and a +1.3 scrotal EPD which puts him in the top 5% of the breed.

**Lot 80 - C CHANELS EXTRA 3204 ET**  
BW 3.4 WW 53 YW 76 MILK 29 IMF -.06 REA .73  
This is one of the most intriguing calves in the sale because of his extra look from the side and balance. He is a 2014 pen bull prospect and one that will catch your eye. We feel with a little more time this one could be as good as we have to offer.

**Lot 43 - C NOTICE ME NOW 3090 ET**  
BW 2.7 WW 50 YW 67 MILK 28 IMF .17 REA .20  
This is a blood brother to the world record selling bull "Miles McKee" and two-time Reno Champion Bull "Stockman." He is a candidate for the 2014 Denver pen show because of his extra length of body and muscle shape.

## 2014 Texas Hereford Auxiliary Annual Meeting

**February 1, 2014 • 1:00 p.m. • Fort Worth Botanic Garden**

The annual meeting of the Texas Hereford Auxiliary will be held in conjunction with the Fort Worth Stock Show and the National Hereford show again this year. We look forward to seeing all of our members and supporting the Hereford women of Texas. We welcome any guests and potential members to attend our meeting!

This year, our dues will be \$40 in total. This includes \$20.00 to cover your Texas membership and an additional \$20.00 for your dues to the National Hereford Women. Your Texas membership dues are used for many different junior activities supported by the Texas Hereford

Auxiliary.

- We support the state queen and sweetheart throughout their reign. They travel to most of the Hereford shows in the state and many national shows as well. The state queens attend the Junior National Hereford Expo and the Kansas City Royal in order to compete for the National Hereford Queen title. The stipend we provide helps them cover some modest expenses.
- Additionally, the Texas Hereford Auxiliary gives a scholarship to deserving junior in Texas every year at the state show. Your dues to the National Hereford Women are used to fund numerous

scholarships and contests for eligible Hereford youth.

If your schedule will allow, we hope you will join us for another fun meeting in Fort Worth!

The Texas Hereford Auxiliary officers and directors will also be updating the auxiliary by-laws.

*Lynda and Bobby McKnight*

## **McKnight Ranch Co. • Robert E. McKnight, Jr.**

**R**obert E. McKnight, Jr. father's mother's family (Amy White) a widow with 13 children was one of the 300 families that came to Texas with Stephen F. Austin. The McKnight's came to Texas after the Civil War.

Robert is a sixth generation rancher, operating the family business in Jeff Davis, Brewster, Reeves, Presidio, Crane and Ector counties. The McKnight Ranch Company is headquartered in Fort Davis, Texas. Hereford cattle have been a very important part of the McKnight ranching operation since the 1900's. The McKnight Ranch also breeds quarter horses.

Robert earned his bachelors degree from Texas Christian University, Fort Worth, Texas in 1982. He is a member of the Texas Hereford Association, the Texas and Southwestern Cattleraiser's Association where he serves on the executive committee; National Cattleman's Beef Association, and the American Quarter Horse Association.

He has served as director of the El Paso Branch of the Federal Reserve Bank of Dallas from 2009 until present. Other affiliations include: 1984 to 1992 the Permian Basin Sandhills Rodeo Association; Texas Nature Conservancy, 2000-2009; Soil and Water Conservation Board, 1982-1992; and Advisory Board of the Texas Ag Land Trust.

Mr. McKnight's community activities include the Jeff Davis Higher Education Scholarship Fund; Big Bend Museum of Alpine, Texas; Presidio City Museum and Saint Joseph's Catholic Church.

Today they keep a registered herd of Herefords for seed stock for their commercial program. They stress performance in their cattle as well as carcass traits, trying to produce the best product for their customers.

With the good science available to us today this industry is moving so fast, Mr. McKnight feels very blessed to be part of an industry that he enjoys so much. He loves what he does and looks forward to each day. ★

Linda and Mike Cornett

Mike and Linda Cornett own and operate Tenroc Ranch outside of downtown “historic Salado”, Texas, 15 miles south of Temple.

Mike and Linda run a 50 head cow calf operation of registered Angus cows. They have over 1,000 acres under high fence for the hunting of whitetail deer, exotic deer, antelope, turkeys, and feral hogs. Our hunting lodge stays quite busy during hunting season with hunters and their guide.

The Cornett’s have developed the number one destination wedding business in central Texas. They have three separate locations for wedding sites. One venue, “The Blue Heron” has a majestic amphitheatre of stone with spring water flowing between the audience and the bridal parties. The second venue “The Sirena” has a ceremony site on the spring water too, with water falls on each side of the ceremony site. The grand old Oak trees that have graced the ranch for hundreds of years will guarantee to take your breath away. The third

event center, “The Chisholm Trail” is in the middle of the ranch where our first class cattle operation takes place. This is the perfect place for couples who want the chabby chic wedding.

Besides weddings, Tenroc Ranch has become the favorite place for birthday and anniversary parties. The Cornett’s host “Paint the Ranch Red” for the American Heart Association. This gala raises money for heart research. Tenroc also hosts many events honoring our troops from Fort Hood and their families.

When Mike purchased the land in 1992, it was open land without buildings, only a cattle trail with a lot of cactus and cedars...so the work began for Mike to make his dreams come true. Seven years later, in 1999, Mike received the American Angus Association Land Stewardship Award.

The Cornett’s had taken the raw, rough, rocky land and turned it into the beautiful, highly productive ranch it is today. ★

## Booster of the Year

### Rafter J Cattle Co.

Larry and Patricia Johnson

In 1951 Larry’s father started his herd with two horned heifers he bought near Abilene, TX. Larry’s father Dalton P. Johnson continued the registered herd under the name DJ Hereford Farms, with Larry and brothers Dwain and Todd. They gathered genetics from breeders like Holden Herefords, K&B Herefords, and Weldon Edwards. In the 1980’s-1990’s they maintained between 175 and 200 head of registered females. In the mid-1990’s they were affected by

Colt Johnson

the drought like so many other farms and ranchers. They were forced to reduce the numbers of their herd and sold down to a hand full of their best cows. That was one of the hardest decisions Larry’s family ever had to make.

In 2008 Larry with his wife Patricia and son Colt established their

own operation under the name Rafter J Cattle Co. using both horned and polled genetics. Their main goal was to produce cattle that would not only be competitive in the show ring but would also provide elite genetics for the seed stock producers and the commercial cattleman. The Johnson’s now have 100 head of Hereford cows and 100 head of commercial cows. They continue to increase and improve their genetics and production through artificial insemination and embryo transfer.

They have recently started a partnership with H2 Ranch and Cattle Company of Madisonville, Texas. Josh Taylor will be helping in management of the Rafter J cattle. Rafter J Cattle Co. is excited for the future of this partnership and is happy to welcome Josh and his family to be a part of it.

The Hereford breed is one of the most influential and productive breeds in the cattle industry. The quality of Herefords today is as good as it has ever been. This quality is an attribute to all the Hereford breeders. The only thing better than Hereford cattle is the Hereford breeder and we are proud to say we raise Hereford cattle.

Besides son Colt, Larry and Patricia have a daughter Jessica Jordan and a son Ethan Johnson. ★

Lilith supports the awards at the state show each year. Every year that the THA has had a Heritage pen at the Ft. Worth Stock Show the family ranching business has donated two Hereford heifers. They also enter a pen of 10 Hereford heifers in the commercial show. In 1998 the ranch was honored as "Ag Family of the Year" by Top O' Texas Cattlewomen. In 2003, the family ranch was National Hereford Show honoree at the Ft. Worth Livestock Show.

She is a lady who does whatever needs to be done to get a project or event launched, completed, and successful. She is a person people of all ages and all walks of life look up to. She inspires younger generations to be passionate and dedicated to the activities they are involved in. Lilith has touched many lives through her enthusiasm, dedication, involvement, generosity, and volunteerism in all the organizations and activities that she is involved in. Lilith Brainard is a blessing and an asset to the Hereford industry. She truly lives the motto "Herefords all things considered". ★

## Ann Guess

Herefords have always been a part of Ann Guess's life. She was raised on her family's Hereford ranch in Coleman. As a 4-H member, she began showing steers and this led to membership in the Texas Junior Hereford Association.

She was an active TJHA member, holding several leadership positions, and served as the 1969-70 Texas Hereford Queen. As an adult, she and husband Jim were active supporters of the juniors, serving as advisors when their children, Reid and Haley, were active and serving on the board. Ann continued helping the juniors after her children were gone by serving as the adult treasurer for the TJHA.

Ann has also been active in the Texas Hereford Auxiliary, has held leadership positions in both Texas and on the American Hereford Women board. She was a founding board member of the National Hereford Women, serving as secretary during her term of office.

After a career in education, Ann retired this past spring. She and Jim have returned to the ranch in Coleman where they continue the family tradition of supporting Herefords with their grandsons, Brayden and Elliot. ★
