# Howdy

by Ashley Cline, TJHA President

For most of us, stock show season is in full force and hopefully, it has been a successful one. When you look back on your successes and your not so successful times, what do you remember the most? If you're like me, you remember the friends you've met, the memories you've made with those friends and with your family. Chances are you have that one person that you have always looked up to. Why did you look up to them? Was it because they were always in the winner's circle? Was it because they took the time to give you some pointers? Was it because they were good at showmanship or fitting? Or was it because they simply stopped to talk to you? Whatever the reason, most of us have that older "stock show kid" that we have always admired and looked up to. I know for me, it was the first time I showed and saw the Texas Hereford queen and sweetheart passing out the ribbons. I thought those girls were as glamorous as any Miss America plus they got to do their queening at a cow show...how cool is that! It became my dream to be the Texas Hereford queen and last year I

got to fulfill that dream. Now as one of the senior members of the TJHA, I realize that my goals have changed; now I am so grateful to be able to serve as the president and hope that I've been able to inspire others to become involved and realize their dreams. As I say that I want you to keep this quote in mind so maybe you can inspire someone else, "Somewhere in this barn there is a little kid that wants to be just like you someday. You owe it to them to be the best you can be." So as we go through show season remember someone somewhere is watching you. You are now the older "stock show kid" so remember who your inspiration was and try to be that for our younger members. ★

As I return from another great Hereford event at the National Western Hereford Show in Denver, my mind focuses on the upcoming events to take place at another great stock show we host in Fort Worth and all the related events. What makes one show or event more special than another? The people who exhibit and attend do. Denver has its special attrac-

tions. The Mile High city, the carload and pen bull and heifer shows, the sale and certainly the number of entries. Texans played prominent roles in all aspects of the shows and sales as reflected in the reports elsewhere in this magazine. I congratulate the AHA staff for conducting the Mile High Hereford Sale to be one of the most successful sales I have ever attended. The move of

the sale to the stadium arena was even more awesome this year than last. An estimated crowd of 5000 Hereford breeders and enthusiasts watched a spectacular event as the results clearly reflect. Herefords indeed have a bright future in the beef industry.

As manager of THA and a native Texan from the Fort Worth area, I cannot help but envision our Fort Worth Stock Show becoming the "Must Attend" event of the year. The facilities are second to none. In addition to our annual membership meeting and social, we have our 46th annual replacement female sale with some of the best heifers ever consigned, our Heritage pen of heifers donated by a group of extremely dedicated and loyal Hereford breeders, a Cowtown Invitational Sale featuring some class and division winners from Denver and Reno and a quality open show that has the largest number of entries ever for Fort Worth. What more do we need for Fort Worth to be the greatest Hereford Event of the year?

THA really gets the year started in Fort Worth with the membership meeting, election of officers, sales and shows. The new executive committee will appoint committees and plan for events for the rest of this year and into the next few years. I solicit all members who have thoughts, ideas, and projects or just want to volunteer their time and service to step forward and let the president or myself know. I challenge every member to try to recruit one new member. Surely you have a neighbor, customer or friend who could become a member. We need more active members participating in all of our events.

I would encourage all parents of junior members to watch for details of a leadership event planned for March 28, 2015 in conjunction with the annual TSCRA Convention in Fort Worth. We will get more info out when more details are confirmed, but we need parents help in getting the juniors to attend.

Meanwhile, Let Us All Work Together to Make THA and HEREFORDS THE BEEF BREED SUPREME! ★

# MW Hereford Ranch

*The Hassle-free Source  
for Hereford Cattle*

**Spring Sale.** We feed the bulls during the winter, freeing your pasture, time, and money.

## 30th ANNUAL PRODUCTION SALE Saturday, April 11, 2015

Cattle on display by 10 AM  
Lunch served at 12 Noon  
**Sale 1PM** at the ranch  
17 miles south of Brownwood on FM 45

### SELLING:

- 50 Two-Year-Old Bulls
- 40 Open Hereford Heifers

**Central Location.** With the *geographical center of Texas* only 13 miles away, we're close to everyone.

**Guarantee.** We absolutely guarantee our cattle. If you are not completely satisfied, we will make it right!

**Strategic Planning.** We aren't afraid to spend big bucks when we spot an industry changer. Our bold move several years ago to purchase IMR Patriot 3113 3ET has allowed us to move our cowherd to the forefront of the industry. His daughters are truly impressive with beautiful udders, feminine profiles, and the ability to wean heavy calves under severe drought conditions. 3113's EPD numbers continue to climb when other bulls' numbers often decline as daughters enter production. We've shared a few of his females in previous sales and they are always crowd favorites.
