By Jack Chastain, Editor

October is by far our busiest month of the year. We have most of our fall sales this month and remain optimistic that our sales will be strong in spite of the weather and reduced cow numbers. Results from our "Cattle for sale" listings have been exceptionally successful as reported by those participating. Other members have reported excellent private treaty sales

all summer. Hereford demand is great and we have had a steady number of calls wanting both bulls and heifers, both horned and polled. I encourage all members to take advantage of our "For Sale" listing. I encourage any non-member to join and utilize this most helpful marketing tool. Our goal is to make our magazine and website the first place buyers look when wanting

to purchase Hereford cattle.

Our fifth annual fall classic bull sale is fast approaching on October 21. I compliment the consignors for offering a quality set of bulls. We are pleased to have the Red Angus bulls and the commercial females in this year's sale. I encourage everyone to attend and support this event.

The annual membership meeting and election of directors of the American Hereford Association is held in November in Kansas City during the American Royal Show. Although the terms of the merger of the AHA and APHA do not allow every member a vote, you can still have a voice by contacting the elected delegates and express your choices. The three persons elected this year will serve on the board that makes policies of AHA for the next four years. Make your views and voices heard! I encourage all voting delegates to support our current president Gary Buchholz as a nominee for one of the three board positions.

I wish to remind our junior exhibitors that our THA Foundation will again offer at least \$5000 to the exhibitor of the highest placing heifer and \$3000 to the second highest placing heifer if funds permit at the James Walker National Hereford Show in Fort Worth on February 1, 2016. A few friends of THA have sponsored the funds for this award and have hopes of growing it to the level of the San Antonio scholarship. Any one wishing to contribute to this fund should contact Jack Chastain or Gary Buchholz.

I close with a reminder that entries are due now for both the Cowtown Invitational Sale and 47th annual THA Whiteface Replacement Female Sale. Please help yourself and our sale with a quality offering. A successful sale is a reflection of everyone involved in the Hereford industry. I hope to hear from you or see you at many of the upcoming events. ★
