Majestic Matrons

by Don Williams, Burkburnett, TX

The prairie waves in the evening breeze
Daylight fades behind a distant hill
The only sound is rustling grass
But for a lonesome whippoorwill

Single file across a meadow
As if lead by an ancient rite
Moves a line of mystic white faces
Aglow in the last rays of light

Then the lowing commences
'T is both a sad and sweet refrain
They gather round a bedding ground
Out on the high rolling plain

You feel much like an intruder here
An alien with no right to be
With sounds too wonderful to hear
And sights too lovely to see

Sadly day gives way to night
The vision gone too soon
You hide yourself in the shadows
And silvery light of the moon

You find your mind alive with wonder
Unable to leave this place
You're captured by the sight you've seen
Unaware of time and space

Seconds turn to minutes
Then hours of celestial clime
Then the sun begins its daily journey
On the other side of time

Another dawn another day
The circle of life anew
Reveals your source of wonder
Fresh in the morning dew

A herd of whiteface mother cows
Each with a calf to claim
Purebred Hereford mothers all
Proud Majestic Matrons of the plain

Congratulations

By Jack Chastain, Editor

September marks the end of another hot and dry Texas summer and brings hope for a successful fall sale season. This issue includes ads for most of our fall sales. These sales and the many private treaty cattle available and listed on our "Cattle for Sale" page are a tribute to the breeders and their cattle who have weathered the harsh summer heat to keep these genetics

available for breeding stock. Please avail yourself to the opportunities to upgrade your breeding programs. Our Hereford breed offers many traits needed to be successful and profitable in these new and trying times.

Our weather continues to perplex us. Record rains through May followed by a record number of days without moisture has been most chal-

lenging. Many of our members have rode out the summer and all of these problems but are now facing unprecedented decisions as to how to manage thru the winter and next spring with water, grass and hay in short supply. We are all hoping the prediction of an El Nino weather pattern will bring Texas the moisture associated with the name.

I congratulate all of our Texas juniors for their participation and winnings at JNHE. You make us proud. Read the results elsewhere in this issue.

THA has been active this past month promoting Herefords at the 60th annual Beef Cattle Short Course in College Station, a Rancher's round-up in Decatur and the Ranch Rodeo in Wichita Falls. We had a lot of activity in all three events. We have plans to attend a few more of these events in the next few months. If a member notifies us of one of these events in his area, we will make an effort to attend.

THA will co-sponsor our fifth annual Fall Classic consignment sale in partnership with the Buffalo Livestock Auction and have again invited a few Red Angus breeders to participate. We appreciate the interest and consignments from our members in this venture as well as the cooperation from the owners of Buffalo Livestock. We hope to see many of you at this sale on October 21. A successful sale is a reflection for everyone involved in the Texas Hereford industry.

Entries are now due for both the 47th annual Whiteface replacement female sale and the Cowtown Invitational sale. Hereford cattle will again be stalled in of the Moncrief building (Barn 5 to some). We plan to limit the consignments in the Cowtown Invitational Sale and plan to have a better display of sale cattle during the show. We hope to expand our advertising and are working on involving some sponsors to offset sale expense. ★

- This homozygous polled bull is a powerful prospect out of a powerful cow. His dam, IMR 4037 Durango Lady 0055X ET, is a feminine, good uddered cow who is very attractive and freckle faced. 4096B has 100% pigment in both eyes and is short marked and one of the most attractive bulls in the sale. His full brother was a sale feature last year and topped the polled bulls. This bull has the complete performance that we are striving to produce.

**5 p.m. MST ~ at the ranch
BRUNEAU, IDAHO**

**83 Lots Sell!
including:
Open Heifer Calves,
Bred Heifers, Embryos,
Pregnant Recipients and
Proven Donors.**

Lot 1A - C MISS HARLAND 8183 ET

This family of cattle are always among the favorites that visitors gravitate to. We have been asked numerous times to sell these females so we decided to offer some of them to you. You can take your choice from the cow that started this whole line or choose between three daughters of her sired by "Miles McKee". All of these females are "Strait to the Donor Pen" kind. Pasture Bred 05/21/2015 to C CJC ILR REGAL 3174 ET due 02/28/2016, Checked Safe.

Lot 7 - C 092X LADY MILES 5138 ET

One of three full sisters being offered in the sale sired by Miles and the Burlesque female that had an outstanding show career. This sister simply has the most power and overall mass of the group. She is big boned and stout made. She has always been the one that you look at and say if she keeps coming she is going to be tough. These last couple weeks things have been going her way and we look for her to be one of the most popular females on sale day.

Lot 9 - C R111 MISS MILES 5323 ET

This mating is simply a sure bet. These two females are great made and have the same quality as everything else "Miles" and "R111" produce. R111 has slowed down a bunch in this past year so we are going to be trying to keep as many daughters as possible in the future. So take advantage of the opportunity to add a daughter of "R111" to your herd before its too late.

Lot 1D - C MISS MILES 4161

This bred heifer lot 1D has it all. Great marked, big middled, and very sound. To top it all off she is out of the Lot 1A donor 8183 and sired by Miles McKee. She could possibly be the best Miles McKee heifer to date. AI Bred 06/10/2015 to CRR 5280 due 03/19/2016, Checked Safe.

Lot 16 - C BAR ONE 1262 MILES 4423 ET

We have had a lot of requests for fall born heifers and lot 16 should be exactly what many of you are looking for. She is big bodied and sound and has a great look from the side. Best of all she is extremely gentle and could be shown by a young or in experienced showman. Great genetic backing with "Miles" and "1262" who was a division winner at the 2013 Junior Nationals.

This is a Case Ranch bull that we had to keep for ourselves. He's been a great calf from day one and has held up through the challenges of drought like we've never seen. His sire is UPS NEON 6198, a very popular line in the breed. He carries so many traits that should help any herd like pigment, muscle, frame, stamina and length. We have one bull consigned to the fall sale. Look forward to more of his calves in the spring. We are getting a lot of calves from this one since he gets a full load of cows to breed twice a year.

WT Rehab Round-Up Drive

Seeking Area Participation

A five-decade tradition of “neighbor-helping-neighbor” continues August through December in the Big Country and Concho Valley with a series of auctions and events which will benefit West Texas Rehabilitation Center facilities in Abilene, San Angelo and Ozona.

Since 1960 when it began in Abilene, Round-Up for Rehab has provided an avenue through which friends in agriculture lend their brand of support to help the Rehab Center provide outpatient services daily to 500 children and adults with disabilities, regardless of their financial circumstances.

Ranchers and businesses may participate in the drive by donating livestock to be sold at special sales, making a cash donation or donating later in the year when they take stock to market.

Approximately 150 volunteers, including celebrity Chairman Red Steagall and General Chairmen Mike Alexander and Randy Carson of Abilene and Jody Frey and Bob Helmers of San Angelo, are assisting the Round-Up by promoting activities and asking neighbors to join them in donating to the fundraiser.

“In spite of our own challenges, we want to do what we can to help Rehab help those needing services,” says Helmers. “West Texas Rehab is blessed with long-time supporters, and the administration and staff have never taken our loyalty or generosity for granted.”

Additionally, up-front corporate support includes commitments from B-4 Farms, Bar-G Feedyard, Group IV Electric Cooperatives, Hargrove Ranch Insurance/Fisher-Jones Title Co., H-E-B Food Stores, Indeca Energy, Lone Star Beef Processors, Propetro and Sonora Bank. Also, providing additional assistance are A-B Distributing, Angelo Pellets, Capital Farm Credit and Red Chain Feeds.

“The early commitment of volunteers and businesses – plus soaking spring rains – will help the Round-Up for Rehab begin on a positive note,” said newly appointed WTRC CEO Steve Martin. “These supporters represent a history of giving that has sustained the Center for 62 years and they’re the reason we can look to the future with confidence.”

After a dinner show event in Brownwood and a dinner and dance in Sonora in August to kick off the annual series, the fall schedule also will include Abilene Auction, Sept. 22; Producers Auction in San Angelo, Sept. 24; Stephenville, Oct. 7; Junction, October 19; Coleman, Oct. 28; Sweetwater, Nov. 10th; Eastland, Nov. 12; and Snyder, Dec. 12th.

Arrangements for hauling donated animals can be made through local volunteers or by calling WTRC at 325-793-3507 or 325-223-6414. Information about Rehab Center services is available at WestTexasRehab.org. ★

Dressed in jeans, boots and cowboy hat, six-year-old Hardy was eagerly begun kindergarten, thanks to West Texas Rehab therapists who're helping him overcome the challenges of juvenile arthritis.

A year ago Hardy's family came to the Center after two years of not knowing why their son experienced pain and weakness . . . why their son didn't want to go outside and play with his pony.

Following the arthritis diagnosis, the Concho County youngster began receiving physical and occupational therapy to improve strength in his hands and legs.

Treatment sessions also helped build Hardy's confidence and assure parents, Tanner and Tammy, that after months of uncertainty, their son was in the best possible place to receive the care he needed.

Now the “bad days” are outnumbered by “great days” and Hardy is enjoying the things other little cowboys do – riding his pony, twirling his lasso and playing with cousins.

Since 1953, West Texas Rehab's mission has been to improve the quality of life for every disabled child and adult who seek its services. A private, non-profit organization, WTRC's patient services include physical therapy, occupational therapy, speech therapy, hearing and balance, orthotics and prosthetics, employer services, fitness programs and Hospice of the Big Country.

Make some *History!*

Jhett West with the Grand Champion steer at the Sheridan County Fair... sired by a Desert★Mart Sire and dam was also sired by a Desert★Mart Sire.

A long time has passed since a straight Hereford steer has won this major county fair. We are so pleased to have raised the sires that made this great steer.

The best part is that not only is Jhett's steer a quality show prospect, he also ranked as a top

ten carcass steer at this year's Junior National in Grand Island, NE. No other breeder has as much documented carcass excellence shown over the years at this premier gathering of the country's best Hereford steers. The power that produced this unique package will be available in volume on November 19, 2015 at the Desert★Mart "TOMORROW NOW" Sale here at the ranch.

Come and participate and be ready to make some history!
