# TEXAS HEREFORD

Official publication of the Texas Hereford Association

June/July 2016 • Vol. 65, No. 8

## Mission Statement

The Texas Hereford Association will provide the leadership to unite, foster and protect the interest of the Hereford breed; and promote fairly the production and consumption of Hereford beef universally.

## Departments

- 34 Letter from the President
- 36 Letter from the Editor
- 38 Letter from our National Director
- 40 Letter from the Auxiliary President
- 42 Letter from the TJHA President
- 44 A.P. Breitschopf and Sons Repeat Buyers of THA Heritage Pen  
*by Martha Hollida Garrett*
- 50 Bullinger Herefords — Learning Curve  
*by Michael R. Sizemore*
- 80 Calendar of Events
- 81 THA Officers-Directors
- 82 Regional Associations/County Listings
- 109 Honorary Members/Leadership
- 110 Auxiliary Officers-Directors
- 113 TJHA Officers-Directors
- 120 Index of Advertising

## On The Cover

Jimmy Dyer nationally known artist and friend of Texas Hereford Association furnished the 20" x 20" oil on canvas painting "Springtime Bull" for this month's cover. His art can be seen on his website jimmydyer.com or at the THA annual membership meeting held in Fort Worth. For more information on his art he can be reached at 214-549-1888 or by email, jimmydyer@sbcglobal.net.

THE TEXAS HEREFORD (ISSN 0744-4761) (USPS 616-680) is published monthly except for the month of July by the Texas Hereford Association. POSTMASTER: Please send change of address notices to The Texas Hereford, 4609 Airport Frwy., Ft. Worth, TX 76117. Periodical postage paid at Ft. Worth, TX, and additional mailing offices. Subscription rate: One Year, \$15.00. Advertising rates on request. Contributions to the editorial pages are welcome, but the magazine cannot be responsible for the return of unsolicited material.

## Texas Hereford Association Officers

Chad Breeding, Miami, president  
Curtis Younts, Jr., Belton, president-elect

## HH ADVANCE 3006A

AHA 43368334 • Owned with Holden Herefords  
SIRE: HH Advance 0002X • MGS: HH Advance 8050U ET

High selling bull in Holden's 2014 sale, commanding \$80,000 for 1/2 interest. 3006A is quickly becoming one of the most sought-after young Line One herd sires, as his progeny come moderate at birth and excel in growth with added eye appeal and conservative markings. Heifer approved. Semen available.

*Semen available now:  
25 Straws and 10 Certificates \$2,500  
Contact either owner.*

- BW 99 lb., WW 800 lb., YW 1,426 lb., SC 39 cm.
- Terrific combination of powerful look, elite performance and EPDs and great genetics behind him.
- Tremendously wide based with thick loin, square rump, big hip and very deep rib!
- EPD graph is exceptional for growth, milk, udder and carcass!
- Great color, markings and pigment with super hair.
- Dam, 1162Y, is quickly becoming one of the top cows in the breed; eight daughters have sold this past year to average \$28,000 to top breeders all over the country.

- “OKIE” was considered by many to be not only one of the top Trust sons around, but one of the best Hereford bulls in the “Yards” at the National Western. A rancher’s kind of bull, he’s solid marked, has good pigment, large scrotal and is structurally sound.

- The Trust x Saga pedigree gives him the complete package.....Tremendous growth, outstanding carcass, and unmatched maternal performance. His dam has a tremendous udder, and we’ve retained 4 daughters as replacements.

- With an actual weaning weight of 830 lbs, he weighed 1330 lbs at 10 months of age

- With an unbeatable EPD profile, he ranks in the top 1% of the breed for YW, CW, REA and \$CHB; Top 2% for WW; Top 3% for SC; Top 5% for \$BMI; Top 10% for MCE and \$BII; Top 20% for MM, UDDR, FAT and MARB

# ★ Letter from the **PRESIDENT**

by Chad Breeding  
President  
Texas Hereford Association

---

The Texas Hereford Association is here to help our membership by promoting their ranch whether it is big or small.

---

Serving the Texas Hereford Association as President is a huge honor and privilege. The executive board is currently working very hard to promote Hereford cattle in the state of Texas. While cattle prices are not as strong as they were a year ago, Hereford cattle are still selling very strongly throughout the country.

At Fort Worth, the Cowtown Invitational Sale sold an outstanding set of bulls and females as well as a great offering of Hereford and black baldy females in the commercial female sale.

We are currently taking applications for the THA Fall Classic Sale in Buffalo as well as the commercial female sale in Fort Worth. We recently had a meeting in Belton to discuss how to improve the Cowtown Invitational Sale in Fort Worth. There were some wonderful ideas discussed. Most importantly, we want to maintain excellent quality in the cattle that are offered. We feel if the cattle that are sold in this sale are some of the best progeny out of each of our consignors' herds, the sale will be a huge success in the future. We have moved up the date to consign, so select your offering now, and let us help promote your consignment.

Special thanks to all those who supported and helped during the TJHA State Show held in Belton. The show in Belton was a huge success with record numbers showing and several new faces. The quality of the animals shown has continued to improve over the past few years. It is encouraging to see the enthusiasm of all the youth involved in the Texas Junior Hereford Association. These young people are those who will see that our breed excels in the years to come.

If you are planning a sale this fall or next spring, please feel free to contact the THA to see what we can do to help promote your sale. If you are looking to purchase Hereford cattle, let us help you find the ones that will fit your needs and pocketbook. The Texas Hereford Association is here to help our membership by promoting their ranch whether it is big or small. We have a plan to help you maximize your potential.

We as Hereford breeders need to promote the advantage we have for hybrid vigor on the commercial cow herd to produce weaning weight. The extra pounds we can generate only put dollars in the pocket of the commercial cow calf producer. I challenge each of you to educate your neighbor and customers on the benefits of using Hereford bloodlines in their commercial herds. If you need any information to help you do so, contact Jack Chastain or myself or any member of our executive committee. The American Hereford Association has done numerous studies on the benefits of Hereford genetics in commercial herds and a substantial amount of data has been collected.

If you are a member of the THA, we thank you for your support and trust in our organization. If you are not yet a member, we encourage you to sign up and let us go to work for you.

I encourage all members to get involved and help the THA promote the "Whiteface Breed" across the state. If there is anything we can do to assist you, please do not hesitate to call. ★

# He wants it all.

Visit [Hereford.org](http://Hereford.org) to hear Jess Herbers discuss the value of Hereford genetics in the Goose Creek Valley Farms commercial cow herd. The Montvale, Virginia, operation was nominated for BIF's 2015 Commercial Producer of the Year.

American Hereford Association

©2015 American Hereford Association

There's a reason a tried and true black baldie is the most favored cow in America's cow herd. She's accountable, predictable, profitable and sustainable. Her calf and her steer mates are in demand, regardless of end point.

The stakes have never been higher to create **value** and **efficiency** throughout the production system. In the past decade, Hereford has documented dramatic improvements in calving ease, weaning and yearling performance and end product merit.\*

Reduce your risk. Improve your opportunity for profitability.

**You want it all in your beef operation?  
Then take it.**

**HEREFORDS. Accountable. Predictable. Profitable. Sustainable.**

\* The Spring 2015 Hereford Pan-American Cattle Evaluation (PACE) documents consistent improvements in all traits of economic importance. From 2004 to 2014, AHA Genetic Trends indicate a 14% reduction in birth weights, 20% improvement in weaning and yearling performance and a 30% improvement in end product merit. [Hereford.org/userfiles/S15\\_Trend.pdf](http://Hereford.org/userfiles/S15_Trend.pdf)

**Jack Chastain, Manager/Editor**  
**Texas Hereford magazine**

**I**t is hard to believe the calendar has rolled over another 12 months since we published our 2015 Membership directory. The Texas Hereford Association is in our 117th year of service and promotion to the Hereford industry not only in Texas but also across the entire nation. I salute all past, current and future members, advertisers and subscribers who support this organization, magazine and breed of cattle. Your perseverance and dedication to Herefords is a true test of your grit and love for a breed that has far too many traits sorely needed by our beef industry to be put on an endangered breed list by so many “experts” in our business; not withstanding the many honest, hard working people associated with our breed. I challenge you as members and breeders to “Take control of the Bull Market.” The product is here today. The demand is here today. It is up to you to merchandise and sell.

Our fall sales were strong and the market continued positive this spring. Our Fort Worth sales were good. Our junior scholarship program is attracting more participants each year in both sponsors and exhibitors. Our commercial cattle prices have proven to be a challenge. The Texas Beef Check-off program has been passed and our beef council should have more funds to promote beef. The fact that the nations cow herd is still predominantly black hided and AHA records indicate that Herefords supply less that 20% of the bull market. The opportunity is there, but we must earn the bull business by providing a product that will work for our bull customers, which in turn will work for his customers, which ultimately is the consumer.

Your officers have pushed and challenged your staff to make our organization with its publication and website a stronger voice for Herefords in the southwest as well as a key marketing tool for members and advertisers. We started a Facebook page and have grown to over 3350 friends.

We have some lofty goals for both membership and advertising, but must have support and approval from the entire membership to succeed. We utilize a small army of volunteers each month to get the magazine printed; in addition to all other projects undertaken by THA or TJHA. We have the “Hereford Youth Foundation’ approved and registered with the IRS. We hope you like the new version of our magazine utilizing more color throughout. We still spon-

---

“Take control of the Bull Market.”

The product is here today.

The demand is here today.

It is up to you to merchandise and sell.

---

sor the premier whiteface replacement female sale, which will celebrate 48 years in January 2017. We co-sponsor the Cowtown Invitational Sale. We assist the other consignment sales. All of these sales need consignments as well as buyers. THA hopes to be a source of information to these events. Our “Cattle for Sale” listing for members in the magazine and on the website continues to provide results. I have had numerous calls saying they sold to the first caller but could have sold ten times over what they advertised for sale. Please help yourself by utilizing this service.

Please save the date of October 19, 2016 for our sixth annual THA Fall Classic Hereford and Invitational Red Angus Consignment sale at the Buffalo, Texas Livestock Auction facility. We are accepting consignments of no more than 80 Hereford bulls aged 15 months to 28 months and 25 Red Angus bulls plus registered and commercial female consignments. Please let the THA office know by July 15 if you wish to participate. The sale will be broadcast by Superior Productions both on the Internet and live on Rural TV Dish Network Channel 232.

Before closing, I wish to express my heartfelt thanks and gratitude to Penni Hiles for all she does for THA above and beyond her normal duties. She certainly is a huge part of the smooth operation of THA

I wish to thank every member, advertiser, subscriber and reader for the role they play in providing and using this issue. I trust you will avail yourself to the vast amount of information assembled for your use. We are here to help sellers SELL and buyers BUY. ★

# ★ Letter from our **AHA NATIONAL DIRECTOR**

by Terri Barber  
AHA National Director

Progressive efficiencies along with increased revenues have allowed your Association to operate extremely well and continue to invest in key areas. With new CEO Jack Ward's management, AHA's business trend is increasingly steady with current registrations up over 1700 and 3500 on cow inventories. Member-

---

Progressive efficiencies along with increased revenues have allowed your Association to operate extremely well and continue to invest in key areas.

---

ships in both the adult and junior organizations continue to enjoy an all-time high. Talented new staff team members have been hired within the CHB and AHA marketing departments to propel these programs with exciting growth.

A progressive new marketing tool – the Certified Hereford Beef Index (\$CHB) – has been developed as a feeder calf program for members who transfer their bulls to provide commercial producers the ability to evaluate their bull battery success and where future improvements can be made. Seedstock producers who sell bulls in the top 20% for CHB will be able to capitalize on years of breed improvement. As a result, commercial producers should see more support and enthusiasm for Hereford cattle. The Certified Hereford Beef Index is a terminal sire index that is built on a production system where Hereford bulls are used on British-cross cows with a focus on gain and end product merit. This program will identify cattle that will excel for feedlot owners. The information form with EPD rankings will be returned to the producer regardless of distribution preference. If the

It is extremely rewarding to be serving on the AHA board and have the opportunity to represent you! The staff and resources available to members continue to allow us to be progressive and stretch our strategic objectives. Progressive efficiencies

along with increased revenues have allowed your Association to operate extremely well and continue to invest in key areas. With new CEO Jack Ward's management, AHA's business trend is increasingly steady with current registrations up over 1700 and 3500 on cow inventories. Member-

producer chooses, this form can be distributed to a growing list of cattle feeders and will be listed on HerefordFeeder-Cattle.com. For more information or questions about this exciting new marketing program, please contact Trey Befort at 816-842-3757. To qualify for the \$CHB Program, the following requirements must be met: 1) Sired by registered Hereford bulls with transferred ownership; and 2) Hereford bull battery avg \$CHB index value ranking in the top 20% (see \$CHB detailer).

The annual Beef Improvement Federation meetings in Manhattan, KS, announced our own AHA President, Sam Shaw, Caldwell, ID, and his family as being deserving recipients of the prestigious Seedstock Producer of the Year award. And according to our AHA youth department the 2016 VitaFerm Junior National Hereford Expo (JNHE) will showcase a record smashing 1,800 head of Herefords as 900 NJHE exhibitors make their way to Wisconsin for "A Hereford Scene in 2016" in Madison. Entry counts at both the Texas junior show and the summer's largest national junior event have been an incredible testament to the popularity of our breed and a perfect showcase for all the new, young enthusiasts our breed continues to attract! Good luck and congratulations to all our summer participants!

Speaking of youth, an exciting opportunity to support our youth's endowment organization, the Hereford Youth Foundation of America (HYFA) will be hosting the Harvest II fundraiser Aug. 26-27 at the Kunde Family Winery in Kenwood, Calif., hosted by Jim and Marcia Mickelson and family. Saturday's lunch, Harvest II dinner and auction, wine tours and tastings all await guests to this fun event. Please visit [theharvest2.com](http://theharvest2.com) to see the schedule and register. Also of interest for those voting delegates heading to Kansas City this fall, AHA's nominating committee submitted a full slate of six nominees for our annual meeting's election. They are Bruce Thomas, MT, Tommy Mead, GA, Joe Waggoner, MS, Dave Schubel, NY, Stephen Coates, TX and Joel Birdwell, OK. Please keep in mind there are two in the southeast which is a position that will need at least one elected.

On behalf of our membership, thank you for allowing me to serve on the national board and represent you. What an amazing and humble honor the past three years have been. I look forward to another outstanding annual meeting this fall and appreciate all you personally do to make our breed the monumental success it has become! I look forward to seeing you at our upcoming events. In the meantime, if I can be of service to you, please feel free to contact me at [tbarber@elanco.com](mailto:tbarber@elanco.com) or 817-727-6107. Happy trails! ★

To qualify for the  
**\$CHB Program,**  
the following requirements must be met:

- Sired by registered Hereford bulls with transferred ownership.
- Hereford bull battery avg. \$CHB index\* value ranking in top 20%.

Percentile	\$CHB
Top Value	50
Top 1%	36
Top 5%	32
Top 10%	30
Top 15%	29
Top 20%	28
Top 25%	27
Top 30%	26
Top 35%	25
Top 40%	25

\* Certified Hereford Beef Index (\$CHB): This is a terminal sire index that is built on a production system where Hereford bulls are used on British-cross cows with a focus on gain and end product merit.

**Please select all that apply from the following options\*\*:**

- If cattle meet required \$CHB threshold, distribute information.
- Distribute information, regardless of \$CHB ranking.
- Return results to producer for internal use only.

\*\*Information form with EPD rankings will be returned to producer, regardless of distribution preference. If the producer chooses, this form will be distributed to a growing list of cattle feeders and will be listed on [HEREFORDFEEDERCATTLE.COM](http://HEREFORDFEEDERCATTLE.COM)

For questions or interest in the program, please contact Trey Befort at the American Hereford Association, 816-842-3757. You can also visit [herefordfeedercattle.com](http://herefordfeedercattle.com) to download the form.

# ★ Letter from the auxiliary **PRESIDENT**

*by Shelby Jackson*  
Auxiliary President  
Texas Hereford Association

**T**his year is starting out great for the Texas Hereford Auxiliary. Exciting things have been going on. Our annual meeting during the Fort Worth Stock Show was a huge success. We greatly appreciate Miranda McIntire owner of McIntire Saddlery coming and sharing her amazing leather work with us. From saddles to belts to hats. We are looking forward to another great meeting next year during the Fort Worth Stock show and would love to see everyone there.

We had a wonderful turnout at Belton this year for our Junior State Show. The Texas Hereford Queen and Sweetheart host our annual Queens tea on Wednesday evening. The tea was a great success. We had a great group of girls, moms, and past royalty. The tea was held at the LaQuinta Hotel. The present royalty was introduced along with the candidates

---

...we lost Jacob Jackson.

In his memory  
a scholarship was  
started with the help of  
several Hereford members.

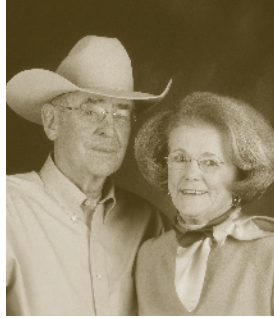

---

for the new year. The girls enjoyed doing a tie dye project which they got to take with them. A good time was had by all. Thank you to everyone that joined us and we hope to see even more new faces next year at the Queens tea.

During the banquet dinner the queen and sweetheart were crowned. Stephanie Golightly was crowned as our queen for her second year. Blayke Breeding was crowned as our new sweetheart. We would like to say a huge thank you to these ladies for representing Texas and the Hereford Association for the coming year.

In 2014 we lost Jacob Jackson. In his memory a scholarship was started with the help of several Hereford members. This year at the state show in Belton the scholarship was awarded for the second year. Rylee Barber was the recipient. Rylee will be attending Texas A&M in the fall. We are very proud of Rylee and wish her the best of luck.

I personally would like to say thank you to everyone who has helped me this far in my term as president. ★

# Personal effects.

When Arlan Youngblood passed away this year, I remembered him fondly as one of the first cattle breeders I ever did work for way back in the mid 1970s, and his passing gave me pause to reflect on the tremendous effect the Hereford industry has had on me.

Those initial contacts in the cattle business enabled me to start my own graphic arts company in 1982, and today I am so thankful that I can still make my living working with Hereford cattle.

Although I've never met most of you in person, after producing the *Texas Hereford* magazine for more than 20 years, I tend to feel more like family than a vendor. So for me, to put a different spin on a familiar phrase, "It's not business... it's personal."

Thank you.

The outsource for the pre-press production of *Texas Hereford* magazine since 1995

# ★ Letter from the tjha **PRESIDENT**

by *Hannah Schneider*  
Texas Junior Hereford Association  
President

---

...thank you to the Barbers and McCalls for doing an amazing job... There were approximately 400 head of cattle exhibited and 175 exhibitors,

---

**H**ey ya'll! I am so excited to be able to serve as your 2016-2017 TJHA President. This is a moment I have looked forward to for a couple of years, and I just hope I can do this position justice. For those who do not know me, I am from the small town of West, Texas. I am the daughter of Gary and Patricia Schneider, I have a younger brother, Zachary Schneider. I just finished up my first year of college at Blinn College in Bryan, Texas. I plan to transfer to Texas A&M in the fall of 2017 where I will finish my major in Animal Science.

The 2016 Texas Hereford State Show was an absolute blast and I would like to say thank you to the Barbers and McCalls for doing an amazing job with it all. There were approximately 400 head of cattle exhibited and 175 exhibitors, this marked one of the biggest state shows we have had in a while. The exhibitors this year had phenomenal cattle. All of our contests went exceedingly well, the participation was amazing and the exhibitors were talented like always. We will be represented beautifully by our Hereford royalty at the Junior National this year and the other major shows throughout the year. Our sportsmanship continues to amaze me as our juniors jump in help were ever help is needed, and they are always there to help their peers out when they are in a bind. If our Texas Hereford youth is any indication, then our future is looking bright.

I would like to say a huge thank you to all of our sponsors of the show this year. Without everyone's generous support this show would not be the phenomenal event it is today. We could not do it without all of the donations and generosity of the people around us. I would like to thank all of them from the bottom of my heart for helping our youth in so many different ways. State show is always a highlight of many juniors' summer and we cannot ever say thank you enough for everything they do for all of us.

I would just like to say I cannot wait to get the 2016-2017 year started as your TJHA President. I am ready to take on anything that is handed to me. I expect the 2017 Texas Junior Hereford State Show to be even bigger than this year, and the best show we have held thus far. I hope to see familiar faces and especially new ones this upcoming year also. Once again thank ya'll for giving me this opportunity to serve as TJHA president this upcoming year. And lastly, everyone have safe travels to Junior Nationals in Madison, Wisconsin, I hope everyone has a blast and good luck! ★

# Repeat buyers of the THA Heritage Pen

*The 2016 Heritage Pen was purchased by A.P. Breitschopf & Sons. It featured heifers from the Bud Brainard Estate, Ed Brainard Estate, Bridwell Ranches, Lewis Roman L Ranch, Scharbauer Ranch, LLC, McKnight Ranch Co., W.T. Waggoner Ranches, Gray Wynn Klein Ranch, and Kokernot 06 Ranch. The select pen was sold at the Texas Hereford Association's Commercial Replacement Female, held in conjunction with the Fort Worth Stock Show.*

While the Breitschopf family has seen many changes in agriculture over the past seven plus decades, their strong work ethic, the desire to be good stewards of the land, operate with sound business principles and a love for livestock still dictate the daily decision-making and management practices. Chickens and cattle, of which Herefords play a big role, have always been part of this family's business model.

A.P. Breitschopf & Sons, Inc. was officially started in 1974, when Phil and his brother, Steve, joined their dad, A.P. "Tony" and mother, Louise in raising cattle and chickens. They had both graduated from high school and decided to join the family business. The unofficial start of the family business goes back to the end of World War II, when Tony returned and married Louise. They purchased 100 acres from her family and began their operation in Gonzales County.

"My grandparents started with that land. They bought a few cattle and began raising chickens commercially. They laid the foundation for how we run our operation. My grandmother worked especially hard and I still remember how she took care of the chicken houses, which didn't have the conveniences they do today. She would get up in the night to shut the curtains on the houses if a storm was coming

The Breitschopf family includes (l to r) Spencer, Brett, Jackie, Kelly, Phil, and Jason. Brett and Kelly are the children of Spencer and wife, Sara, who is not pictured.

## *Heritage plays a vital role in the Breitschopf Family and its cattle operation*

by Martha Hollida Garrett

and dealt daily with temperature issues. So much more manual labor was required then,” describes Jason, who with his brother, Spencer are sons of Phil and wife, Jackie, and are now part of the family legacy.

Steve, after 40 plus years of involvement has retired and sold his interest in the corporation back to the family. A.P. Breitschopf & Sons, Inc. today includes 1,750 owned acres, and an additional 1,000 acres that are leased. This is home to three generations of Breitschopfs, over 1,100 head of cattle; a hay operation and they have the capacity to house over 450,000 chickens at one time. Their entire operation is in Gonzales County and the headquarters is conveniently located just a few miles south of I-10 near Harwood.

Their cattle include approximately 75 straight-bred Hereford females, 250 F1 Hereford x Brahman females and 700 commercial cows that are predominantly black.

The Hereford females, are bred to Angus bulls as heifers and then bred to Brahman bulls purchased from V8 Ranch, Hungerford, Texas to produce their F1s. The F1s are then bred to Angus bulls and top females from this cross are selected as replacements for the black commercial herd. The F1 produced steer calves are sold to local feedlots.

Their Hereford genetics represent a cross section of programs, as the Breitschopfs have been repeat buyers of the Texas Hereford Association (THA) Heritage Pen sold annually at the Fort Worth Stock Show (see sidebar).

“We like buying the pen at Fort Worth, as it gives us a top individual from 10 historic and reputable programs. These heifers have been highly selected for the sale and it allows us to add a top individual from several herds, without a lot of travel and time. We bought our first Heritage Pen in 2011 and have purchased it in 2012 and 2016, along with the director’s pen (10 head donated by THA directors) and a special polled pen one year. In addition, we have made other purchases of Hereford genetics. Hereford cattle are a critical part of our overall program,” Jason explains.

They maintain a fall calving program across the three individual herds, with the exception of three groups that calve in the spring.

In the commercial herd, the heifers are also bred to Angus bulls and then Angus and Brangus bulls are used on second calvers and older females. The calves are weaned from the end of June until August 15<sup>th</sup>, depending on when they were born. They background the calves for 45 days and then all the calves are sold by truckloads to Cargill.

They have a strong herd health program across the board and all calves receive two sets of vaccines, while still on their dams. They castrate and remove any horns when the calves are 3-4 months and creep feed, so that the calves are eating when weaned.

“We have found that the calves do better for our buyers and for us in terms of replacement heifers, when we work them twice on the cows, rather than waiting to do that second working at weaning. It’s paid off for us, as the calves are healthier and handle weaning better,” says Jason.

They like raising their own F1s over purchasing them, as they feel they can control the quality, as well as the price.

“The F1 female is a valuable component of cattle production here in the South and we have elected to raise ours, rather than purchase. We have been very selective about the quality of genetics we use in both sides of the equations and its apparent, since our F1s produce our best calves, time after time, “ he explains, adding that the family values the Hereford breed and the traits the breed adds to their bottom line.

The Breitschopfs stress low birth weights, as well as strong weaning and yearling numbers in their bull selection for both the F1 and commercial herds. They have purchased their Angus and Brangus bulls from a number of registered programs.

They produce their own hay with three to four cuttings annually. They fertilize the hay fields every year with litter

The Breitschopf family has a herd of 75 Hereford females. These are used to produce their F1 Hereford x Brahman females for their program. They have purchased many of their Herefords through the Texas Hereford Association's annual offering of the Heritage Pen.

## We Offer **PROOF**

Our cattle can perform!

Our herd is now under the influence of several new herd sires, and we believe this change is a positive one.

Give us a call if you are looking for cattle that are raised in the rough and know how to work! We will offer a select group of commercial Hereford bulls with great carcass trait EPD's.

We also will sell a select group of bred Hereford and Hereford x Angus heifers. Call for information.

*The Breitschopfs raise their own F1 Hereford x Brahman females and the top heifer calves from the F1's x Angus bulls are selected as replacements for their commercial herd.*

from the chicken houses, plus liquid fertilizer and weed spray are applied in April. They take soil samples of their grazing pastures and apply litter/fertilizer based on those results. The pastures are improved grasses and Tifton 44.

Their chicken operation includes four new houses that can each hold 49,000 birds at one time and eight retro houses, which have been remodeled to include tunnel ventilation, additional insulation and other conveniences of the new houses. They raise six to seven flocks annually and are suppliers to Tyson.

The Breitschopf family members divide the responsibilities and work together to make this a successful family business. Phil, Jason and Spencer oversee the entire operation, as Phil is the hands on, hard working patriarch of the operation. He can do any job on the place and continues to put in the necessary long hours, an operation of this scope and size requires. Jackie handles all the accounting and records for the operation. Jason, a 1994 Texas A&M University Animal Science major, oversees the cattle and chickens and Spencer, a 1997 Texas State horticulture major handles the fencing duties, manages the cleanout of the poultry houses and the distribution of the chicken litter. The hay portion of the enterprise is shared between the three, largely because of the short time frame to cut and bale. Spencer is married and has two children, who represent the fourth generation.

The demands of a large cattle and poultry business are many and are constant. The family has a rotation program in place, so that each one has every third weekend away from their responsibilities.

"Our grandparents were very special people and we consider it a privilege to build on what they started. The Hereford breed is a major component to what we do here at A.P. Breitschopf & Sons, Inc. and the Heritage Pen females have really worked for us," concludes Jason. ★

## Texas Hereford Association "Heritage Pen" a continued success

In 2001, Texas Hereford Association (THA) secretary-treasurer Jack Chastain was looking for ways to raise money for the association. He had heard about a fund-raising program in the American Quarter Horse Association and he thought it could be tweaked to work for the THA.

The concept was to have 10 recognized Texas ranches that raised Herefords each donate and consign an open heifer. The heifers would then sell as one pen at the THA Fort Worth Commercial Heifer Sale with the association receiving the proceeds.

Chastain made his pitch to the THA Board of Directors, and with their blessing, he went to work. The pen would become known as the Heritage Pen, signifying the participation of some of Texas's most noted and historical ranching programs. Chastain's idea was enthusiastically received and some of the most storied ranches in Texas said yes to donating a select open heifer.

That first year the participating ranches included Bridwell Ranches, Wichita Falls; 6666 Ranch, Guthrie; Pitchfork Ranch, Guthrie; SMS Ranch, Stamford; W.T. Waggoner Ranches, Vernon; Bud Brainard, Canadian; Ed Brainard, Canadian; Scharbauer Ranches, Midland and Amarillo; Kokernot 06 Ranch, Ft. Davis; Hughes Cattle Co., Ft. Davis. Seven of those original ranches have participated every year since the first sale in January 2002.

"The first year, the 10 head in the pen represented over 100,000 head of cattle and more than a million acres in Texas. The donated heifers sold for \$800 each to Ben Wible of Sherman. He would return to buy the Heritage Pen in 2003, also," said Chastain, adding that in 2016 the Breitschopfs' paid \$1,900 each for the heifers in the pen.

The heifers are selected in the fall each year and then Chastain and his wife, Lyn, take them to their ranch and prepare them for the sale.

It has been a very successful program for THA, as \$248,250 has been generated for the association and only two heifers total have failed to breed for the buyers.

The Heritage Pen has become a very popular and prestigious set of cattle for buyers and the sellers alike. The sale of the group is a high point of the auction, held annually in conjunction with the Fort Worth Livestock Show and Rodeo.

Ranch located in Henderson, Texas

# Learning

**R**yan Bullinger has raised Hereford cattle for the past 10 years, and is located in Henrietta, Texas. Bullinger bought his first set of registered cattle from Lone Star Hereford Ranch when he was 15 years old. Since then, Bullinger has purchased herd bulls and females from Indian Mound Ranch in Canadian, Texas, Baker Hereford Ranch in Rapid City, South Dakota, ML Cattle in Dalhart, Texas and Flying S Herefords in Paluxy, Texas. Bullinger would like to maintain a Straight Line One cowherd.

Bullinger's family has always raised crossbred cows, but he grew up helping Wayne and Leda Roe in Buffalo Springs, Texas. The Roes' run about 200 commercial

Hereford cow-calf pairs. Every opportunity Bullinger got, he would help Wayne work cattle and anything else that needed done.

"The Roes' are good, honest people," Bullinger said. Bullinger learned so much from Wayne.

"The Roes' were my mentors growing up and still are to this day," Bullinger said.

When asked his favorite thing about the Hereford breed Bullinger said, "The thing I love most about the Hereford breed are the people. There are so many good people in the Hereford business and they are always willing to help you out, especially being a young guy starting out breeding registered cattle."

*Ryan Bullinger showing how calm his cows are.*

# Curve

by Michael R. Sizemore

“The Hereford breed and the breeders raising them have worked really hard to get the cattle that we have today, and I think in the next 10 years we will see the Hereford breed continue to grow and the demand for Hereford cattle and Hereford beef to increase.”

Bullinger would highly encourage a young person or an individual who wants to get involved in the Hereford breed to get in contact with the leaders of the association or visit with a breeder who has been in business for a long time.

Bullinger is always learning new things. He knows he can call several of the people he bought cattle from with any question he may have. All of them along with Jack Chastain at the Texas Hereford have been very helpful to him the past 10 years, and he has learned so much from all of them.

“My generation can learn a lot from people if they will just listen and I strongly believe that if you surround yourself with good people, good things will happen,” Bullinger said.

Bullinger currently runs 65 cow-calf pairs and hopes to have his herd up to about 125 pairs in the next few years. Since the day he bought his first set of registered cows in 2006, he had a plan to build a cowherd and hold an annual bull sale in the future, but he knows that takes time and patience to build a herd of good, functional cows.

Bullinger feeds his cows just like any good commercial operation. During the spring and summer when the green grass is here, they are fed five pounds of 20% cubes once a week and during the winter, they are fed five pounds of 23% corn cubes per day.

The calves are raised only on mama’s milk until weaning and he believes that if you take care of the land and stock it lightly, the native grass in this area will really grow and take care of the cattle. It is not uncommon to wean 750-pound bull calves right off the cows because of the stout grasses here during the winter. The only cattle that receive hay are the calves on wheat. The cows utilize the standing grass in the pasture that grew in the spring and the corn cubes give them the protein to make it through

*Bullinger Herefords leading herd sire, IMR HARLAND 9038W ET that is owed in partnership with Indian Mound Ranch*

*Ryan Bullinger’s most recent purchase FS MISS ADVANCE 220Z, purchased from Flying S Herefords.*

*Pictured are a group of first calf heifers that calved in the spring of 2016.*

the winter.

At weaning, the calves are weighed, the culls are hauled to the sale barn, the rest are split between heifers and bulls, put on feed for 30 days, and then they are hauled to wheat.

The bulls are fed at a rate of eight pounds per head per day on wheat pasture and the heifers are fed the same feed at a rate of five pounds per head per day on wheat pasture. Bullinger feeds them a 13.5% protein grower ration. This has worked very well for him the past 10 years and the bulls come off wheat at 13-15 months weighing 1150-1300 pounds and the heifers weighing 750-900 pounds and are ready to go with the bulls to breed.

Bullinger does not want the bulls to be shut in a pen, put on self-feeders, and get too fat to breed cows. The bulls are raised on a 60-acre wheat field with a 10-acre grass trap with plenty of room to travel and exercise and are ready to breed cows when sold.

Bullinger has a strict culling program for his herd.

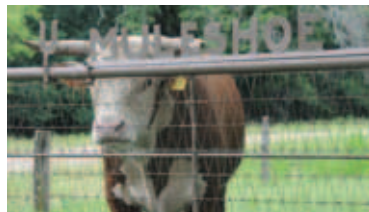

“They have to go out and work for me or they will not work for the customer that buys them,” Bullinger said.

Bullinger culls very hard on disposition, udder

"They have to go out and work for me or they will not work for the customer..."

Ryan Bullinger looking at his spring calving cows with calves on their side.

Ryan Bullinger posing with "Baker" the bull purchased from Baker Hereford Ranch out of South Dakota.

quality, eye problems, individual performance and fertility. None of these traits are any more important in Bullinger's eyes than the next one. The cows have to do what they are bred to do, and if they do not, the problem cows are hauled to the sale barn.

Bullinger is very thankful that he has been blessed with the family that he has. Bullinger married his best friend, Donna, on April 10, 2015 and are expecting their first child, a girl, in September of this year.

"Donna has been supportive and helpful the past years that we have been together," Bullinger said.

Although Donna stays busy at her job, she will get out there and help him when he needs her to.

Bullingers parents have instilled in him a good work ethic and taught him to be respectful toward others. They taught him that if you want something, you have to work for it and that upbringing has helped him get where he is today.

raising good-doin' Hereford cattle

Donna and Ryan Bullinger's engagement photo by B Alyse Photography.

Bullinger's father goes with him to every sale and he values his opinion on cattle and everything else. Bullinger talks to his father numerous times on the phone each day, and has learned that although it might not be what he wants to hear at the time.

"Dad's opinion is always right," Bullinger said.

Mom and dad help him with the cattle as often as they can and it is a blessing to have a family that supports you.

Bullinger also wanted to point out his good friend, Ryan Crafton, and although he is not family he just as well be. They have known each other since they were about three years old and Crafton has always helped Bullinger work cattle. Crafton is right out there helping him and Bullinger is appreciative.

Bullinger currently sells about 15-20 bulls each year and about 10 females with hopes of selling many more in the future. Bullinger wants to sell cattle that go out and work good for the people that buy them, and if they do not do that, "I will make it right" Bullinger said.

Bullinger's papaw always said, "The only thing you can take with you when you leave this world is your name, so make the best of it when you can." Bullinger is a firm

Bullinger Hereford's ear tag.

believer in standing behind the product that you sell and doing business with a handshake.

"Donna and I want to develop a program built on hard work, honesty and integrity," Bullinger said.

Bullinger always has his cell phone with him all the time. Anyone wanting to get in touch with him can contact him at (940) 923-6708. ★

# Make Fort Worth a *Must Do* event in 2017

## 48<sup>th</sup> Annual Premium Whiteface Replacement Female Show and Sale Sunday, January 29, 2017

Our 48th Annual sale will be a great event. The demand for Hereford females is at an all-time high and this should be the source for some of the best Hereford genetics offered in the State of Texas.

Make "Super Hereford Weekend" an educational and entertaining event by attending the Annual Meeting and social of Texas Hereford Association, & the National Hereford Show.

### Special Rules:

1. All consignors must be active or associate members of the Texas Hereford Association.
2. Animals must be in their pens not later than 6:00 p.m. Friday, January 27, 2017.
3. All animals will be shown in pens of ten (10) by classes and placed by judges at 9:00 a.m., Saturday, January 28, 2017.
4. All females entered will be sold in the Hereford Sale at 1:00 p.m., Sunday, January 29, 2017.
5. Pen and Sale Fees: an entry fee of \$10.00/head is due on November 1, 2016. A seven (7) percent sale fee will be assessed at the sale. This fee includes all Stock Show pen fees and sale costs. No refunds after entries close.
6. Health requirements: all females entered in this division must meet regulations of the Texas Animal Health Commission and must be accompanied by an official health certificate.
7. Registered heifers are eligible. Minimal grooming is encouraged.

**Hereford Weekend**  
Southwestern Exposition  
and Livestock Show  
Jan. 28 - 30, 2017

**Call for entries.**  
*Deadline for entries*  
**November 1, 2016.**

## Send us your best Hereford heifers...

# Hereford Spoken Here

*That's exactly the message that this sizable sign projects!*

**BOTH  
HORNED  
and POLLED  
SIGNS  
AVAILABLE**

Constructed of sturdy 16 gauge steel and finished with a baked porcelain enamel, it will stand up to all weather conditions! Three colors – green, white and maroon – make each one a rich display of the Hereford breed.

The sign is available in two sizes:  
30" tall x 38" wide or  
38" tall x 60" wide

Name panels 10" tall  
are available for one or two lines  
and 14" tall for three lines.

*Yes!*

Send me:

Horned

Polled

- 30"x38" sign with 10"x38" name panel @ \$425.00\*
- 30"x38" sign with 14"x38" name panel @ \$450.00\*
- 38"x60" sign with 10"x60" name panel @ \$725.00\*
- 38"x60" sign with 14"x60" name panel @ \$750.00\*

All prices FOB Dallas, TX

\*TEXAS RESIDENTS must add 8-1/4% sales tax.

Special art work for brands or special type billed at cost.

# Application for Membership in the Texas Hereford Association

## Advantages of THA Membership

**SERVICE** – The Texas Hereford Association is a service organization to benefit the Hereford breed and the breeder.

Members are assisted in buying and selling cattle at private treaty and by auction.

The Texas Hereford Association sponsors the Commercial Hereford Heifer Show and Sale and the Cowtown Select Sale and the THA Fall Classic. These sales promote the use of better Hereford bulls and females. The Texas Hereford Association is also actively engaged in the promotion of Texas Herefords and in sponsoring seminars, field days, and other events to encourage educational opportunities for members.

**ASSOCIATION** – The Texas Hereford Association was organized in 1899. Its membership has included the elite of the Texas Hereford industry since its inception. Membership dues are \$125.00 per year. Associate memberships are available for \$100.00 per year.

**DIRECTORY ISSUE** – Every active member of the Texas Hereford Association has a free listing in the Directory issue of *The Texas Hereford*. This Directory is used by thousands of Hereford breeders the year round. Information pertaining to your herd such as herd sires, bloodlines, location of farm or ranch, telephone numbers, etc., will be listed in this widely used reference book. This herd listing alone is worth the price of membership. Associate members are also listed.

**THE TEXAS HEREFORD** – Monthly publication of the Texas Hereford Association. It is the only publication in Texas devoted solely to Herefords. It includes news about the association, news about Herefords and timely editorial features. Active members can list Herefords for sale **FREE** in the Cattle For Sale column. This service has been responsible for selling thousands of Texas Herefords all over the nation. Texas Hereford Association members may advertise in *The Texas Hereford* at low livestock rates – a considerable savings for your marketing program. Sale catalogs, brochures, flyers, and other marketing aids designed are produced by our professional staff at considerable savings. (Advertising rates will be sent on request).

**The Most Important Investment  
You Can Make as a  
Registered Hereford Breeder  
is a membership in the  
Texas Hereford Association.**

## ACTIVE Membership Application

I hereby make application for membership in the TEXAS HEREFORD ASSOCIATION.

Upon becoming a member, I will abide by the constitution and By-Laws of the Association and also the rules of the American Hereford Association.

I am the owner of \_\_\_\_\_ head of registered Herefords and \_\_\_\_\_ head of commercial cattle.

Attached hereto is remittance of One Hundred and twenty-five dollars. (\$125.00 covers active membership for one year). Dues include a subscription to the *Texas Hereford* magazine and a one year free listing in the "Cattle for Sale" on the THA website and monthly magazine.

Attached hereto is remittance of One-hundred Dollars (\$100.00) covering association membership fee for one year in the Texas Hereford Association. (Includes magazine)
