Dear Mr. Buchholz:

I wish to express my sincere gratitude to you and the members of the selection committee for presenting me with the 2015 Friend of THA award. I am truly humbled to receive this award and must share the recognition with my many mentors as well as the more than 32,000 volunteers and dedicated staff that work so hard to make the Houston Livestock Show and Rodeo possible.

During my acceptance remarks, I attempted to communicate the history and Mission of the Houston Livestock Show and Rodeo as well as how much I have always enjoyed judging Hereford cattle and interacting with your talented and dedicated members. Though the Houston Livestock Show has grown into much more than a cattle show since its inception in 1932, I can assure that, as long as I remain in my current position, our livestock show and our Mission of promoting agriculture will remain at the very core of everything that we do.

Again, I thank you and the committee for this tremendous honor.

Sincerely,

Joel Cowley President & CEO

Mr. Chastain,

Thank you for the role that the Texas Hereford Association played in our "Hereford – Champion of the World" week and for the warm reception that our visitors received. It is much appreciated!

Kind regards,
P.J. and Koula Budler

THA had another great year for Herefords at the Fort Worth Stock Show. We had great attendance at our annual membership meeting and social, good numbers of cattle at our National Hereford Show, and solid sales for both the Replacement heifer and Cowtown Invitational sales. Many thanks to everyone who showed, consigned,

purchased, sponsored or attended this year. It truly takes everyone to make a successful event. Our highest placing heifer scholarship donors made \$10,000.00 available this year and we split it into two scholarships. The THA Foundation awarded a \$1500 scholarship and initiated the annual Cheryl Klein Memorial scholarship as well as sponsored premiums for

the Hereford steer show. Remember we will sponsor our 48th Annual Replacement Whiteface Female sale next year. Now is the time to select and save a pen of ten for the sale which will be held on Sunday, January 29, 2017. We are planning a few new things for this milestone event and invite some help with sponsorships to fund the projects.

We had a huge success with a few unique opportunities for members to help themselves and THA. These activities have helped THA establish itself to a sound financial position. We still are operating under a bare essential budget. We deeply thank the generous donors and buyers who made such an impact on our finances. I especially wish to thank the donors of the Heritage pen, most whom have participated for the entire 15 years we have had this project.

It is not too early to be preparing consignments to our October 19 sale in Buffalo, Texas. We need seventy-five as good of Hereford bulls as we can find as well as a number of registered and commercial females. We particularly need some baldie and F1 heifers or cows. We will also be selling Red Angus bulls. Now is also time to get cattle picked for our Replacement heifer and Cowtown Invitational Sale for 2017.

Our juniors are busy preparing for their annual State Show in June. Your support of this event is most appreciated. All juniors are asked to make plans to attend the leadership workshop scheduled for April 9 at Fort Worth during the annual TSCRA Convention. Call the THA office or your junior presidents for more information.

Please help us by updating and returning your herd listing forms with current addresses, phone numbers as well as your herd information. You may not think it is important, but current information may make the difference of making a sale or not. Remember this information is not only printed in our annual Membership directory printed in July, but it is updated on our web site when changes are received. ★

- ✓ **Strategic Planning.** We aren't afraid to spend big bucks when we spot an industry changer. Our bold move several years ago to purchase IMR Patriot 3113 3ET has allowed us to move our cowherd to the forefront of the industry. His daughters are truly impressive with beautiful udders, feminine profiles, and the ability to wean heavy calves under severe drought conditions. 3113's EPD numbers continue to climb when other bulls' numbers often decline as daughters enter production. We've shared a few of his females in previous sales and they are always crowd favorites.

Dear Friends and Cattlepeople,

The MW Hereford Ranch is pleased to announce plans for our **31st Annual Production Sale** to be held on Saturday, **April 2, 2016** at the ranch, located seventeen miles south of Brownwood, Texas on FM 45, just south of the Colorado River.

We would like to take this opportunity to thank all of our friends and buyers from previous years that continue to make this sale possible. Our confidence in the Cattle Industry and the Hereford Breed in particular remains strong. We look forward to a beautiful bluebonnet spring and another great sale.

We will have **45 highly selected horned Hereford herd sire** prospects and range bulls this year. These modern, rugged, range-raised, performance and fertility-tested bulls have really balanced EPD numbers. They represent the best of the Hereford breed and are ready to go to work. We have been pleased with the looks and performance data of our new herd sires and will offer a large number of their offspring in the sale.

We will offer **42 twelve-fifteen month old open registered**, horned heifers ready to breed with excellent EPD numbers. We feel their bloodlines represent the best of the Hereford industry today and many could become future Dams of Distinction.

As usual on Sale Day, we will have the cattle on display by 10:00 am, with lunch at 12:00 and the Sale beginning promptly at 1:00 pm. As always, we absolutely guarantee our cattle. If you are not completely satisfied, we will make it right. We will be glad to assist you with delivery.

This year our sale will be broadcast online at www.superiorclicktobid.com. We will also have videos of all the cattle online around the first of April at www.superiorlivestock.com. If you need any assistance in registering to bid through Superior or have any questions regarding their services you may call them at 1-800-431-4452.

Please contact any member of the family for further information and details. Our catalogs will be available by late February. We look forward to seeing you at the Sale.

Application for Membership in the Texas Hereford Association

Advantages of THA Membership

SERVICE – The Texas Hereford Association is a service organization to benefit the Hereford breed and the breeder.

Members are assisted in buying and selling cattle at private treaty and by auction.

The Texas Hereford Association sponsors the Commercial Hereford Heifer Show and Sale and the Cowtown Select Sale and the THA Fall Classic. These sales promote the use of better Hereford bulls and females. The Texas Hereford Association is also actively engaged in the promotion of Texas Herefords and in sponsoring seminars, field days, and other events to encourage educational opportunities for members.

ASSOCIATION – The Texas Hereford Association was organized in 1899. Its membership has included the elite of the Texas Hereford industry since its inception. Membership dues are \$125.00 per year. Associate memberships are available for \$100.00 per year.

DIRECTORY ISSUE – Every active member of the Texas Hereford Association has a free listing in the Directory issue of *The Texas Hereford*. This Directory is used by thousands of Hereford breeders the year round. Information pertaining to your herd such as herd sires, bloodlines, location of farm or ranch, telephone numbers, etc., will be listed in this widely used reference book. This herd listing alone is worth the price of membership. Associate members are also listed.

THE TEXAS HEREFORD – Monthly publication of the Texas Hereford Association. It is the only publication in Texas devoted solely to Herefords. It includes news about the association, news about Herefords and timely editorial features. Active members can list Herefords for sale **FREE** in the Cattle For Sale column. This service has been responsible for selling thousands of Texas Herefords all over the nation. Texas Hereford Association members may advertise in *The Texas Hereford* at low livestock rates – a considerable savings for your marketing program. Sale catalogs, brochures, flyers, and other marketing aids designed are produced by our professional staff at considerable savings. (Advertising rates will be sent on request).

“Hereford – Champion of the World”

In the heart of Texas cattle country, international cattlemen convened at the Fort Worth Stock Show & Rodeo to coronate the top Hereford bull and female in the world for 2015, experience America’s western culture and examine the elite genetics and management practices of the globe’s most prestigious ranches.

National champions from four regions of the world competed in an online photo competition officiated by four judges plus an equally weighted fifth vote from the “Hereford Breeder” Facebook page. This year, 4,331 judging sheets from 35 countries were tabulated to narrow down the “best of the best” to name the outstanding four females and four bulls in each region.

On Jan. 31, Fort Worth Mayor Betsy Price recognized the finalists prior to the Fort Worth National “Cowtown Invitational” Hereford and Polled Hereford Sale. Having grown up on a Texas Hereford ranch, Mayor Price’s knowledge and appreciation of the Hereford breed made an impression with the international guests.

The owners of the eight finalists recently traveled to the FWSSR in Fort Worth, TX, for the pinnacle of the yearlong competition — the announcement of the Hereford Champion of the World (bull) and Hereford Miss World (female).

When the life-size cutouts were unveiled, the crowd cheered as the North American entries swept the competition. BR Anastasia 3023 ET was selected as Hereford Miss World, owned by Rylee Barber, Channing, TX; Deppe Bros., Maquoketa, IA; Sullivan Farms, Dunlap, IA; and Cottonwood Spring Farms and Bushy Park Farms, Mitchell, SD.

Also stepping into the winner’s circle as Hereford Champion of the World was CHAC Mason 2214, owned by Gary and Kathy Buchholz, Waxahachie, TX; Prairie Rose Cattle Co. and Eleanor James, both of Sherman, IL.

the most basic trait for profit.
- 2) Herefords are known far and wide for their **DOCILITY**
the easy way to ensure gainability through handling ability.
- 3) Herefords are known far and wide for their **FLEXIBILITY**
they adapt best to all types of climate and terrain.
- 4) Herefords are known far and wide for the **COMPATABILITY**
they nick better with more breeds than any other.
- 5) Herefords are known far and wide for their **LONGEVITY**
they will continue to set the pace to improve the beef industry's future.
