GKBCATTLE.COM
HEIFERS AND BULLS FOR SALE YEAR ROUND

October is by far our busiest month of the year. We have most of our fall sales this month and remain optimistic that our sales will be strong in spite of the commercial market, weather and reduced cow numbers. Results from our "Cattle for sale" listings have been exceptionally successful as reported by those participating. Other members have reported excellent private treaty sales all summer. Hereford demand is great and we have

had a steady number of calls wanting both bulls and heifers, both horned and polled. I encourage all members to take advantage of our "For Sale" listing. I encourage any non-member to join and utilize this most helpful marketing tool. Our goal is to make our magazine and website the first place buyers look when wanting to purchase Hereford cattle.

Our sixth annual fall classic bull sale is fast approaching on October

19. I compliment the consignors for offering a quality set of bulls. We are pleased to have the Red Angus bulls and the commercial females in this year's sale. I encourage everyone to attend and support this event.

The annual membership meeting and election of directors of the American Hereford Association is held in November in Kansas City during the American Royal Show. Although the terms of the merger of the AHA and APHA do not allow every member a vote, you can still have a voice by contacting the elected delegates and express your choices. The three persons elected this year will serve on the board that makes policies of AHA for the next four years. Make your views and voices heard! I encourage all voting delegates to support our past president Stephen Coates as a nominee for one of the three board positions.

I wish to remind our junior exhibitors that our THA Foundation has committed \$4,500 to the exhibitor of the highest placing heifer and \$2,500 to the second highest placing heifer at the 2017 Gray Wynn Klein National Hereford Show in Fort Worth on January 30, 2017. A third and fourth place scholarship of \$1,500 will also be awarded. To be eligible to receive these awards, the exhibitor must be a member of TJHA, be eligible to show in the junior show the previous week (exhibitor does not have to exhibit at the junior show) and be at the halter of his/her heifer. No cow/calf is eligible. The ownership rules for the junior show must be met. See rule 12 on page 191 of the Fort Worth Stock Show premium book. A few friends of THA have sponsored the funds for this award and have hopes of growing it to the level of the San Antonio scholarship. Any one wishing to contribute to this fund should contact Jack Chastain.

I close with a reminder that entries are due now for both the Cowtown Invitational Sale and 48th annual THA Whiteface Replacement Female Sale. Please help yourself and our sale with a quality offering. A successful sale is a reflection of everyone involved in the Hereford industry. I hope to hear from you or see you at many of the upcoming events. ★

Noack Herefords was established in 1921 by E.H. Noack. His son Leon earned his animal science degree from Texas A&M in 1952, and he came home so full of great ideas, that E.H. decided to turn the

ranch over to him. Leon spent countless hours studying pedigrees and collecting performance data, and was an early adopter of the Total Performance Registry program. He focused on creating the ideal mama cow, improving birth weights, milking ability, and longevity. Leon spent time working as a meat grader, which taught him the value of consistently producing delicious, tender meat.

Today, we hold true to Grandad's values by diligently collecting data, and focusing on maternal traits, while maintaining the excellent carcass merit he achieved years ago. We firmly believe that form follows function, and that the most functional cows will also be the most profitable. Our bull customers are mostly commercial, and while they may own anywhere from 12 to several thousand head, our bulls are bred to perform well in any business model, just as they are bred to perform in any environment.

Noack Herefords is comprised of 4 divisions that cooperate to sell 35 bulls, and 60 replacement females (30 registered Hereford, 30 golden certified F1s) annually from a herd of about 300 primarily Line 1 cows.
