THA Scholarships

The Foundation of the Texas Hereford Association will award \$1,500 scholarships to qualifying high school seniors and college

freshmen. You may call the THA office to obtain information or go to www.texashereford.org and click on the youth link for THA Foundation scholarship requirements and instructions. Deadline for applying is January 1, 2018. The awards will be presented at the THA Annual meeting in Fort Worth, January 27, 2018. The THA's number is 817-831-3161. ★

Attention Juniors: \$4,500 for Top Jr. in 2018 Fort Worth National Show

THA Foundation has committed \$4,500 to the exhibitor of the highest placing heifer and \$2,500 to the second highest placing heifer at the 2018 Chris Lacy National Hereford Show in Fort Worth on January 29, 2018. A third and fourth place scholarship of \$1,500 will also be awarded. To be eligible to receive these awards, the exhibitor must be a member of TJHA, be eligible to show in the junior show the previous week (exhibitor does not have to exhibit at the junior show) and be at the halter of his/her heifer. No cow/calf is eligible. The ownership rules for the junior show must be met. See rule 12 on page 191 of the Fort Worth Stock Show premium book.

Friends of THA have sponsored the funds for this award for many years and are committed to making this an annual event and hope to grow the fund to increase the prize as well as create a special belt buckle for the event. Anyone wishing to join this effort should contact Jack Chastain at the THA office. ★

Sand Hills Hereford Scholarship

Any TJHA member who is a graduating senior and has exhibited at the Sandhills Hereford Show is eligible to apply for one of the two \$1,000 scholarships awarded to heifer and steer exhibitors. For more information contact Chelli Evans at the Sand Hills Hereford and Quarter Horse show office at 432-366-3951. ★

Sand Hills Show to be in Coliseum

Exhibitors attending the 2018 Sand Hills Hereford Show will be pleased to know that heifers and steers will show in the heated Ector County Coliseum rather than in the Outback building we have been showing in for the past few years. Entries are due on November 15 for the January 5-6 show. High school seniors should be aware of the Sand Hills scholarships that are presented each year. ★

San Antonio Stock Show Scholarships

THA is assisting the San Antonio Stock Show with a project to expand their open Hereford show. They plan to offer 3 scholarships to the 3 high placing juniors who exhibit at the 2018 open Hereford show. Livestock manager Brady Ragland has seen how this has worked in Fort Worth and wants to see it work in San Antonio. Their plan is to offer a total of \$3,000 with \$1,500 to high placing heifer, \$1,000 to second high and \$500 to third high placing. Money will be paid directly to college when winner is enrolled. ★

West Texas Scholarship Info

Information, criteria and scholarship application regarding the West Texas Hereford Association Curly Hays Memorial Scholarship can be obtained on-line at www.cfabilene.org under scholarships and then finding West Texas Hereford Association Curly Hays Memorial Scholarship. The deadline for the scholarship is April 1, 2018. If applicants have questions or are unable to obtain on-line call Twalla Simmons at 325-669-1692 and the information will be mailed. ★

Dear Jack,

For more than thirty years, I have enjoyed raising registered Herefords. It has been one of the most rewarding times in my life. But age and health

tell me that it is time to retire. It has been a difficult decision, but I have sold my herd and no longer will be raising cattle.

I am very thankful for all the benefits I gained for being a member all these years. I have met so many fine people who love the Hereford breed as I do. I enjoyed the yearly sales, meetings, and special events over the years when I could attend. I also used these events to locate and buy excellent breeding stock. As a result, although my herd was small, I managed to sell to both neighbors and ranchers in my area. Needless to say, I will miss the business.

I would like to thank Jack and Lyn Chastain and many of the past leaders of the association like Stephen Coates, Dusty Rhodes, Lee Haygood, and all the breeders with whom I served on the Executive Committee in the early 2000's. The association is in great shape today because of the excellent leadership among the membership. I wish you continued success.

*Thanks for the memories,
Miles A. Eckert

As December approaches it is hard to believe that another year has almost passed. Texas Hereford Association has had a good year. Our magazine has printed more ads and more total pages than 2016. Our junior program has prospered. Our website continues to help sell cattle and to serve our members. Our social media through Facebook now has over 3550 followers and if our juniors and magazine subscribers would like the page we could

reach 5000 before the annual meeting. Most everyone in Texas is rejoicing to see the end of 2017 and wishing for a better year for 2018. Our fall auction sales and private treaty sales were good for the most part, especially considering weather and a depressed commercial market to name a few distractions. I would encourage you as breeders to look harder at your sale bulls and keep only the top 75 percent. The demand and renewed interest in

top Hereford genetics is encouraging for all Hereford breeders and members of THA. For any non THA member, I solicit your membership. I congratulate those who sold Hereford cattle and thank the buyers and wish them well with their purchases.

This organization is strongly dependent on our officers, directors, members, sponsors, and friends in both time and funds. THA is involved in many activities in the next few months and has many people to thank for their support. Your executive committee is most concerned about keeping our organization in a strong financial position. We have had a good year in 2017. THA will again offer some tremendous donations for fund raisers during our Fort Worth activities. On Sunday during our 49th Annual Whiteface replacement heifer sale we will be selling the Heritage Pen of heifers from our commercial Hereford members for the seventeenth year. We owe the donors of this pen a huge thank you for their generosity. I encourage members to help solicit buyers for this pen. I know how good the heifers will develop into cows. We plan a silent auction at the social and are in need of a few quality items from all officers and directors. THA is greatly appreciative for these contributions. I also want to thank the consignors to both the Whiteface replacement heifer and Cowtown Invitational sales. Their quality cattle have a great impact on showing our breed to the general public. The donors for the heifer scholarship and champion awards are also vital to the success of the shows. These members have made a giant effort to ensure great things for THA and Hereford cattle. The rest of THA needs to step up by attending and either buying or bringing buyers to the sales and shows.

December and the time between Thanksgiving and Christmas and the New Year is always a time to pause and reflect on the past year and plan for the upcoming year. I am most thankful for good health and the opportunity to work for THA. I wish everyone a healthy and happy holiday season and prosperous New Year. I hope to see everyone at our annual meeting and all other activities not only at the Fort Worth Stock Show but all activities throughout 2018. ★

Hereford Hall of Merit Honored

Eddie Sims, Elgin, OK, and Dwayne Dietz, Billings, MT, were inducted to the Hereford Hall of Merit Oct. 27 at the American Hereford Association (AHA) Hereford Honorees Reception during the AHA Annual Meeting and Conference in Kansas City, Mo. Hall of Merit inductees have greatly influenced the Hereford breed and cattle industry.

Sims began his career in the Hereford breed as a fieldman for the American Polled Hereford Association. Since then, he has dedicated his life to promoting Hereford cattle. Sims established National Cattle Services in 1968 and quickly became one of the industry's leading auctioneers. Through National Cattle Services, he has sold and managed purebred cattle sales in 44 states and seven Canadian provinces. As an auctioneer and sale manager, Sims has been instrumental in influencing the value and quality of Hereford cattle for the past 50 years.

Dietz became a fieldman for the AHA in 1979. His territory covered Montana, Wyoming, Colorado, Idaho and parts of Alberta, Canada. It was during his years at the AHA that he became recognized as one of the best cattle marketers in the country. Dietz's passion and excitement for the Hereford breed was infectious. His commitment to serving those around him has influenced industry professionals across the country.

"Sims and Dietz are great friends of the Hereford breed and the AHA is honored to induct them into the Hereford Hall of Merit," says Jack Ward, AHA executive vice president.

from president Lauren Echols Decker

Seasons Greetings from the Texas Hereford Auxiliary. We hope that you and your families have a blessed Christmas and a happy holiday season. Our annual meeting is coming up in late January and we look forward to seeing everyone there. Once again, we'll be gathering in the Redbud Hall of the Fort Worth Botanical Gardens at 1 p.m. on January 27. Lunch will be provided, and we will have a guest speaker as well.

This year, we will be voting on

changes to the bylaws of the Texas Hereford Auxiliary. They have not been amended in recent memory, so the 2017-2018 officers voted to make some needed updates. Please review the proposed updates on the auxiliary website <http://www.texashereford.org/auxiliary.htm> that will be posted by December 1st.

Again, we wish you the very best this holiday season. Be safe and enjoy this special time with your families! Thank you for your continued support of the Texas Hereford Auxiliary. ★
