Foundation Female Supporting Hereford Youth Brings \$75,000

BR Kate Rielle 5532 ET sold for \$75,000 to benefit the Hereford Youth Foundation of America's Growing a Lasting Legacy Campaign, Jan. 13, at the Mile High Night Sale in Denver.

The Lot 1 Foundation Female has been highlighting the National Hereford Sale in Denver the past nine years with a total of \$690,000 being raised to support the Hereford Youth Foundation of America's mission, which recognizes and rewards the development of life skills and values in the next generation.

Kate Rielle was purchased by Kolt Cattle Co. and kids, Carley, Michael and Maren, Garland, NE; JB Show Cattle, Joe and Dee Braman, Refugio, TX; King Ranch, Bill King, Moriarty, NM; and David Shelburg, Jacksonville, FL.

"I'm very excited about what the future has in store for young Hereford leaders as we work to provide them with education, scholarship and leadership opportunities," said Amy Cowan, American Hereford Association director of youth activities and foundation. "The Lot 1 story is such a great example of families giving back, and more importantly what the foundation stands for. We couldn't do this without donors like the Barber family and the Kate Rielle buyers group who stepped up to give

back and to make a difference in our Hereford youth program."

Kate Rielle was donated by the Barber Ranch, Channing, TX. She is an Aug. 5, 2015, daughter of NJW 73S W18 Hometown 10Y ET and out of BR Gabrielle 5082 by BR Lansing 3060. ★

★ tailgate**TALK**

By Jack Chastain, Editor

As I return from another great Hereford event at the National Western Hereford Show in Denver, my mind focuses on the upcoming events to take place at another great stock show we host in Fort Worth and all the related events. What makes one show or event more special than another? The people who exhibit and attend do. Denver has its special

attractions. The Mile High city, the carload and pen bull and heifer shows, the sale and certainly the number of entries. Texans played prominent roles in all aspects of the shows and sales as reflected in the reports elsewhere in this magazine. I congratulate the AHA staff for conducting a successful Mile High Hereford Sale to set a standard for all sales to compare to

the remainder of 2017. The move of the sale to the stadium arena was even more awesome this year than last. Another move made by AHA that I applaud was to separate the sale of flushes, embryos and semen to the "Mile High Eve Frozen Genetics Sale". Herefords indeed have a bright future in the beef industry.

As manager of THA and a native Texan from the Fort Worth area, I cannot help but envision our Fort Worth Stock Show becoming the "Must Attend" event of the year. The facilities are second to none. In addition to our annual membership meeting and social, we have our 48th annual Whiteface replacement female sale with some of the best heifers ever consigned, our fifteenth Heritage pen of heifers donated by a group of extremely dedicated and loyal Hereford breeders, a Cowtown Invitational Sale featuring some class and division winners from Denver and Reno and a quality open show that has the largest number of entries ever for Fort Worth. What more do we need for Fort Worth to be the greatest Hereford Event of the year?

I wish to thank all donors to both our champion awards and the high placing junior scholarship program. Our committee voted to award four places this year, thanks to the generosity of everyone that helps fund this event.

THA really gets the year started in Fort Worth with the membership meeting, election of officers, sales and shows. The new executive committee will appoint committees and plan for events for the rest of this year and into the next few years. I solicit all members who have thoughts, ideas, and projects or just want to volunteer their time and service to step forward and let the president or myself know. I challenge every member to try to recruit one new member. Surely you have a neighbor, customer or friend who could become a member. We need more active members participating in all of our events.

Meanwhile, Let Us All Work Together to Make THA and HEREFORDS THE BEEF BREED SUPREME! ★

32nd ANNUAL PRODUCTION SALE Saturday, April 1, 2017

Cattle on display by 10 AM
Lunch served at 12 Noon
Sale 1PM at the ranch
17 miles south of Brownwood on FM 45

SELLING:

- 60 Two-Year-Old Bulls
- 50 Open Registered Hereford Heifers
- 20 Fall calving cows bred to Angus Bulls

Central Location. With the *geographical center of Texas* only 13 miles away, we're close to everyone.

Guarantee. We absolutely guarantee our cattle. If you are not completely satisfied, we will make it right!

Strategic Planning. We aren't afraid to spend big bucks when we spot an industry changer. Our bold move several years ago to purchase IMR Patriot 3113 3ET has allowed us to move our cowherd to the forefront of the industry. His daughters are truly impressive with beautiful udders, feminine profiles, and the ability to wean heavy calves under severe drought conditions. 3113's EPD numbers continue to climb when other bulls' numbers often decline as daughters enter production. We've shared a few of his females in previous sales and they are always crowd favorites.
