October is by far our busiest month of the year. We have most of our fall sales this month and remain optimistic that our sales will be strong in spite of the commercial market, weather and reduced cow numbers. Results from our "Cattle for sale" listings have been exceptionally successful as reported by those participating. Other members have reported excellent private treaty sales all summer. Hereford demand is great and we have had a steady number

of calls wanting both bulls and heifers, both horned and polled. I encourage all members to take advantage of our "For Sale" listing. I encourage any non-member to join and utilize this most helpful marketing tool. Our goal is to make our magazine and website the first place buyers look when wanting to purchase Hereford cattle.

Our seventh annual fall classic bull sale is fast approaching on October 18. I compliment the consignors for offering

a quality set of bulls. We are pleased to have a few Red Angus bulls and registered Hereford females in this year's sale. I encourage everyone to attend and support this event.

The annual membership meeting and election of directors of the American Hereford Association is held in late October in Kansas City during the American Royal Show. Although the terms of the merger of the AHA and APHA do not allow every member a vote, you can still have a voice by contacting the elected delegates and express your choices. The three persons elected this year will serve on the board that makes policies of AHA for the next four years. Make your views and voices heard! I encourage all voting delegates to support THA member and candidate Jimmie Atlas from Texas as well as candidate Mark Largent from Wyoming for two of the three board positions.

I wish to remind our junior exhibitors that our THA Foundation has committed \$4,500 to the exhibitor of the highest placing heifer and \$2,500 to the second highest placing heifer at the 2018 Chris Lacy National Hereford Show in Fort Worth on January 29, 2018. A third and fourth place scholarship of \$1,500 will also be awarded. To be eligible to receive these awards, the exhibitor must be a member of TJHA, be eligible to show in the junior show the previous week (exhibitor does not have to exhibit at the junior show) and be at the halter of his/her heifer. No cow/calf is eligible. The ownership rules for the junior show must be met. See rule 12 on page 191 of the Fort Worth Stock Show premium book. Friends of THA have sponsored the funds for this award for many years. I also wish to inform all juniors of the new scholarship program offered by the San Antonio open Hereford show of scholarships for the three high placing juniors in their open Hereford show on Monday, February 12, 2018. Any one wishing to contribute to either fund should contact Jack Chastain.

I close with a reminder that entries are due now for both the Cowtown Invitational Sale and 49th annual THA Whiteface Replacement Female Sale. Please help yourself and our sale with a quality offering. A successful sale is a reflection of everyone involved in the Hereford industry. I hope to hear from you or see you at many of the upcoming events. ★

### He sells!

- Totally unique pedigree, stacked like no other. Incredible 18 traces back to King Ten, four times back to Genetic Explosion, three times back to Pure Gold and double-bred Desert Comfort.
- Totally unique profile. Outstanding since day one, visitors have been astounded at his mass, muscle, capacity and growth while only on Mama and Wyoming range.
- Totally unique prediction. Poised to strengthen even more today's leading Herefords, Desert Explosion can boast of multiple donor dams, including 18-year-old Christi, generations of proven carcass sires and that style statement that simply shouts greatness!

When an operation has been in business 115 years, there are only a very few revolutionary discoveries. Desert Explosion is definitely one of them! Consider Desert Explosion's "stand alone" power:
