Dear Texas Hereford Foundation,

Thank you so much for the Texas Hereford Foundation Scholarship. This scholarship will help me further my education. I am planning on attending Texas A&M University this fall and majoring in Animal Science. I would also like to continue on to veterinary school and obtain my DVM. Thank you again for helping me to achieve my dreams.

*Sincerely,
Brody Rogers, Hamilton, TX*

Dear Texas Hereford Association,

The Gray Wynn Klein scholarship is really appreciated and will certainly be used at Texas Tech University starting in the fall of 2018.

I have been showing Herefords my entire show career and the Texas Hereford Association has been a huge part in that and for that I am truly grateful.

I will be pursuing my Animal Science/Ag business degree and hope to give back to the industry that has given me so much!

Thank you again for the financial assistance.

Tyler McCray Allan, Schulenburg, TX

Dear THA Foundation,

Thank you so much for the scholarship received at the San Antonio Livestock Show. I hope to attend A&M one day and major in agriculture. I really enjoy showing my Herefords and look forward to this next year.

Keyser Ottmers, Fredericksburg, TX

What an exciting time to be in the cattle business with Hereford cattle. I am proud to see sale reports from all over the nation listing breeders from Texas as their top buyers. This can only expand and improve the genetics our Texas breeders make available to the industry. THA has been very active this past month promoting THA and Herefords with a presence in the International Room

at the Houston Livestock Show, Table at the Wichita Falls Ranch and Farm Show and Sale, sponsoring part of the ABBA sale in Caldwell, sharing a booth with both TPHA and CHB at the TSCRA Convention as well as attending sales. All were huge successes and THA should be proud of our involvement.

We have begun work on the 2018 annual membership directory. Every

member will be mailed a herd listing form and ad reservation form. Please update your listing. I cannot stress enough how important it is that current members provide us with correct and complete information regarding phone numbers, e-mail addresses, herd information and directions to your ranch. We especially want to update those of you who have developed ranch web sites and can include you with a link from our web site.

Now is the time to select and hold a bull or group of bulls for our Fall Classic sale in Buffalo on October 17. We are also trying to build a female sale with this sale. We will accept both registered and commercial Hereford females as well as other breeds and crosses. Now is also a good time to select and breed a pen of heifers for our 50th annual replacement heifer show and sale to be held in Fort Worth on Sunday, February 3, 2019. Plan to select at least one or two extra to make sure you can get the minimum of ten for the pen show. We plan to have another heritage pen of cattle. Now is also a good time to select an entry for the annual Cowtown Invitational Sale. THA through some generous sponsors has encouraged our junior exhibitors to enter the open show by providing a cash award in the form of a scholarship. I solicit a few more donors as well as all junior exhibitors to consider bringing their heifers to the National Show in Fort Worth. The junior must be present and be at the halter of his or her own animal to be eligible for the four top placing heifer prize money.

Our juniors are busy preparing for another great state show and field day held jointly with TJPHA. The event will be held June 13-16 in Belton. As an advisor I can safely say that this event could not happen without the support of the Hereford breeders around the entire state. I encourage all members to respond favorably with both monetary and volunteer help. All THA members could benefit from watching our youth in action.

Hereford demand is as strong as ever and now is as good a time as ever to promote your herd with an ad in our publication. Remember: "Advertising does not COST-IT PAYS!" ★

➔ DO SOMETHING ◀
ABOUT HORN FLIES.

It's starting to heat up to the peak of the horn fly season. A “do nothing” approach can be costly when the pressure is highest. When left untreated, these biting pests cause reductions in cattle weight gain that can lower profits by up to \$45 per head. Comparing animals not being fed a supplement to control flies, studies have shown that cattle on Altosid® IGR may gain as much as 15.8% more weight per day.* Do something about horn flies. Add Altosid® IGR to your feed supplement now.

*Just one of the 100 bulls listed in the 2018 Hereford AI Book.
90 of these 100 bulls trace back at least once to the mighty King Ten!
It is no surprise that Anodyne traces back a stunning 6 times!*

Only one modern sire will appear over and over in the breed's latest listing of outstanding breed improvers. In this 2018 listing you will find most of today's leading bulls. Included will be the top performance sires, the top carcass sires, the top show-ring sires, and the top all-around sires.

Who is this phenomenal bull? Who is this dominating power-source that appears in a whopping **90%** of every pedigree in the book. **IT'S KING TEN!** He's the one that gets it done! No other sire is even close... and we know exactly where to tap into this unique genetic giant... right here at DESERT★Mart!

Our program traces back directly to **KING TEN** through 6 well-known source sires; this gives you predictability and superiority you cannot find anywhere else.

An outstanding example of this stacking excellence is Desert Explosion 728, our youngest new herd sire (owned with C.V. Ledbetter and Son) that goes back to **KING TEN** 19 times!
Semen is available.
