## Dear Texas Hereford Association Foundation,

Thank you so much for your award donation to the Sandhills Livestock Show in Odessa this year. I had a great time in Odessa. Not only did I have a sale-maker with my steer Chimi, I also won the honor of Senior Showmanship with my Polled Hereford, Changa.

I really enjoy raising Hereford cattle; therefore, the Sandhills Livestock Show is one of my favorite shows. It is such an honor to make the sale in a pure Hereford show. Showing cattle takes a lot of hard work and sacrifice, but I love it! Organizations like yours, and steers like Chimi and Changa, make it all worthwhile.

Thank you for supporting me.

## Eric Eldridge Selected as Hereford Herdsman of the Year

Eric Eldridge, Bruneau, ID, was selected as the 2018 Hereford Herdsman of the Year at the 2018 National Hereford Show during National Western Stock Show in Denver. Selected by his peers — Hereford herdsman and breeders — Eldridge was honored prior to the selection of the grand champion polled Hereford female on Jan. 13.

Eldridge is originally from Quartz Valley, CA., and he currently works for Colyer Herefords in Bruneau, ID. He is responsible for caring for the show cattle, traveling to all national shows, checking cows and calves in the pastures each day and more. Kyle Colyer, Eldridge's supervisor, said Eldridge is an extremely reliable employee with a versatile skillset that makes him a perfect candidate for this honor.

"Eric is a true herdsman all year round," Colyer said. "He is a multi-dimensional employee, who can do everything from breeding to fitting and in between. That is what it is all about."

Eldridge grew up on a commercial cattle operation and exhibited many species of livestock throughout his childhood. Upon high school graduation, he worked for Don Carty showing cattle across the western United States.

He said after gaining valuable experience working for Carty, he began custom fitting for 12 years — focusing mainly on Hereford show cattle. Those connections lead him to a full-time position with

Colyer Herefords four years ago. He said being recognized as the Hereford Herdsman is truly unbelievable.

"For so many people to pick me out of all the guys in the barn is a pretty special feeling," he said. "For all the guys like me that do this day in and day out, it is a dream to be recognized as the Hereford Herdsman in Denver. It is a pretty amazing feeling." ★

## Foundation Female Supporting Hereford Youth Brings \$80,000

MF 104Y Eve 109 19E ET sold for \$80,000 to benefit the Hereford Youth Foundation of America's (HYFA) Growing a Lasting Legacy Campaign, Jan. 12, at the Mile High Night Sale in Denver.

The Lot 1 Foundation Female has been highlighting the National Hereford Sale in Denver the past 10 years with a total of \$770,000 being raised to support HYFA's mission, which recognizes and rewards the development of life skills and values in the next generation.

Eve was purchased by Express Ranches, Yukon, OK; Buck Cattle Company, Madill, OK; and Moore Cattle Company, Madill, OK.

"Each year, Lot 1 kicks off the Denver sale, and the Hereford Youth Foundation of America is so very fortunate to have such a generous donor base supporting one of our largest fundraisers of the year," said Amy Cowan, American Hereford Association director of youth activities and foundation. "We could not be more excited to see these prestigious ranches from Oklahoma step up to support education and leadership programs. We owe a sincere thank you to Express Ranches, Buck Cattle Company and Moore Cattle Company for their unending commitment to youth."

Eve was donated by Scott McDonald, McDonald Farm, Grand Rapids, MI. She is a Jan. 14, 2017, daughter of CRR 719 Catapult 109 and out of MF 914W About Yasmine 104Y by CRR About Time 743.

"A big thank you goes to Scott McDonald for donating this phenomenal heifer calf from the heart of his program to highlight the 2018 Mile High Night and to celebrate the 10th anniversary of the Lot 1 Foundation Female in Denver," Cowan said. ★

## San Antonio Stock Show Scholarships

THA is assisting the San Antonio

Stock Show with a project to expand their open Hereford show. They plan to offer 3 scholarships to the 3 high placing juniors who exhibit at the 2018 open Hereford show. Livestock manager Brady Ragland has seen how this has worked in Fort Worth and wants to see it work in San Antonio. Their plan is to offer a total of \$3,000 with \$1,500 to high placing heifer, \$1,000 to second high and \$500 to third high placing. Money will be paid directly to college when winner is enrolled. ★

## West Texas Scholarship Info

Information, criteria and scholarship application regarding the West Texas Hereford Association Curly Hays Memorial Scholarship can be obtained on-line at [www.cfablene.org](http://www.cfablene.org) under scholarships and then finding West Texas Hereford Association Curly Hays Memorial Scholarship. The deadline for the scholarship is April 1, 2018. If applicants have questions or are unable to obtain on-line call Twalla Simmons at 325-669-1692 and the information will be mailed. ★

## Frances Louise Millican Ebeling

Frances Ebeling of Round Mountain, TX passed away January 20, 2018. She was born March 9, 1922. Frances was a dedicated wife and mother. She came to the Hill Country in 1944 as the Blanco Co. Home Demonstration Agent at the time when electricity was just coming into the area. She was very proud of the work she did to educate the residents on how to use this new technology. Frances worked alongside Jack, her husband of 71 years, to carry on operation of the Lazy E Ranch, building up a Registered Hereford herd that was recognized as one of the premier herds in the country. She was very involved with the Texas Hereford Association, Texas Beef Council, Texas Hereford Auxiliary and the Hill Country Cattlewomen promoting ranching. As a member of the Marble Falls Methodist Church she spent many years working with the Children's Church and Sunday school and keeping their freezer supplied with cookies and casseroles to be delivered to members.

Frances was preceded in death by her husband, Jack J. Ebeling and is survived by daughter, Martha and husband, Steve Baker, son, Lynn Ebeling and wife, Mya, granddaughter, Amber Ebeling Bartosh and Grandson, Slater Ebeling. ★

**HEREFORD INTEGRITY HEIFER SALE**  
APRIL 05, 2018 - **smart**auctions

As I return from another great Hereford event at the National Western Hereford Show in Denver, my mind focuses on the upcoming events to take place at another great stock show we host in Fort Worth and all the related events. What makes one show or event more special than another? The people who exhibit and attend do. Denver has its special attractions. The Mile High city, the carload and

pen bull and heifer shows, the sale and certainly the number of entries. Texans played prominent roles in all aspects of the shows and sales as reflected in the reports elsewhere in this magazine. I congratulate the AHA staff for conducting a successful Mile High Hereford Sale to set a standard for all sales to compare to the remainder of 2018. The move of the sale to the stadium arena was even more

awesome this year than last. Another move made by AHA that I applaud was to separate the sale of flushes, embryos and semen to the "Mile High Eve Frozen Genetics Sale". Herefords indeed have a bright future in the beef industry.

As manager of THA and a native Texan from the Fort Worth area, I cannot help but envision our Fort Worth Stock Show becoming the "Must Attend" event of the year. The facilities are second to none. In addition to our annual membership meeting and social, we have our 49th annual Whiteface replacement female sale with some of the best heifers ever consigned, our sixteenth Heritage pen of heifers donated by a group of extremely dedicated and loyal Hereford breeders, our Cowtown Invitational Sale and a quality open show that has the largest number of entries ever for Fort Worth. What more do we need for Fort Worth to be the greatest Hereford Event of the year?

I wish to thank all donors to both our champion awards and the high placing junior scholarship program. Our committee voted to award four places this year, which we will be able to do thanks to the generosity of everyone that helps fund this event.

THA really gets the year started in Fort Worth with the membership meeting, election of officers, sales and shows. The new executive committee will appoint committees and plan for events for the rest of this year and into the next few years. I solicit all members who have thoughts, ideas, and projects or just want to volunteer their time and service to step forward and let the president or myself know. I challenge every member to try to recruit one new member. Surely you have a neighbor, customer or friend who could become a member. We need more active members participating in all of our events.

Meanwhile, Let Us All Work Together to Make THA and HEREFORDS THE BEEF BREED SUPREME! ★

His daughters are truly impressive with beautiful udders, feminine profiles, and the ability to wean heavy calves under severe drought conditions. 3113's EPD numbers continue to climb when other bulls' numbers often decline as daughters enter production. We've shared a few of his females in previous sales and they are always crowd favorites.

# REMEMBER THE R-FACTOR!

**ANYONE THAT WANTS TO HAVE AN EFFICIENT BUILDING OR HOME WILL INSULATE** THEIR STRUCTURE. THIS IS BECAUSE PROPER INSULATION SAVES BIG DOLLARS!

IN THE SAME WAY, CATTLE THAT STAY COOLER IN SUMMER AND WARMER IN WINTER SAVE THEIR OWNERS SIGNIFICANT MONEY. THE REALLY GOOD NEWS IS THAT HEREFORDS POSSESS A BETTER LEVEL OF INSULATION BECAUSE OF A THICKER HIDE AND EASIER FLESHING ABILITY.

SOME IN THE PACKING INDUSTRY TRY TO CLAIM A THICKER HIDE LOWERS DRESSING PERCENTAGE. HERE AT **DESERT★MART** WE DISPEL THAT CONCERN WITH SUPERIOR MUSCLING ABILITY! REPORTS OF HIGHER DRESSING PERCENTAGES WITH EXCELLENT YIELD GRADES ARE COMMON WITH THOSE THAT USE **DESERT★MART** GENETICS!

**FOR PROFIT....INSULATE!**
